Our Product Introduction

Product Description

Product Description:

The Blending Essential Oils are a perfect addition to your aromatherapy routine. Simply add a few drops to your aroma diffuser essential oil and let the essence flavour fill your room. The aroma diffuser essential oil is perfect for creating a relaxing atmosphere in your home or office.
Our aromatherapy essence oil is also great for massage. Simply dilute the oil with a carrier oil before use and apply it to your skin for a relaxing and soothing massage. The essence flavour of the oil will help you unwind and relax.
If you love making your own beauty products, our Blending Essential Oils are a must-have. These oils can be used to create your own DIY beauty products such as facial oils, body scrubs, and hair treatments. The possibilities are endless!
Our Blending Essential Oils come with safety precautions. They are for external use only, so avoid contact with eyes. It is important to dilute the oil before use to prevent skin irritation. These oils are oil/water soluble, making them perfect for use in a variety of products.
The Blending Essential Oils have a refreshing coconut scent that will leave you feeling rejuvenated and refreshed. The aroma will fill your space with a calming and relaxing scent.

Details:

Usage	Daily Flavor, Industrial Flavor, Fragrance oil,Blending Essential Oils

for more products please visit us on fragrances-oil.com

Selling point	* Excellent fragrance retention effects, reduce the volatilization speed of fragrance, and prolong the time of fragrance retention by 2-2.5 times * Increases the strength of fragrance, making the fragrance long-lasting and retain for a long time * Small usage, 20-30% of the fragrance, saving the costs * Almost colorless and odorless, will not affect the original color and smell of the fragrance * High solubility with oil-soluble and water-soluble, suitable for all kinds of fragrances and perfumes
Sample	Freely Provided

Features:

1. Strong coordination: Coconut essential oil can blend well with a variety of essential oils (such as citrus, floral and woody scents) to enhance the layering of the aroma.
2. Enhance sweetness: Its sweet fragrance can neutralize the strong smell of other essential oils, making the mixed aroma more gentle and balanced.
3. Moisturizing effect: In skin care blends, coconut essential oil provides good moisturizing effect to a certain extent and is suitable for dry skin.
4. Relaxing mood: When mixed with other essential oils, the warm scent of coconut can help relieve stress and create a comfortable atmosphere.
5. Add exotic flavor: The aroma of coconut has a tropical flavor, making the mixed essential oil more unique and attractive.
6. Multi-purpose: It can be used in multiple occasions such as aromatherapy, skin care, bathing, etc., increasing the flexibility of use.
