Applications:

If you are looking for a high-quality toothpaste that not only cleans your teeth but also leaves your mouth feeling fresh and fragrant, Plant Fragrance Toothpaste is the perfect product for you. Our toothpaste is made in Guangdong, China and is certified COA, MSDS, IFRA, CE, and ISO, ensuring its safety and efficacy.

The toothpaste comes in a variety of sizes, ranging from 10ml to 200kg, making it suitable for both personal and professional use. The fresh, floral, woody & earthy, warm & spicy fragrance of our toothpaste will leave your mouth feeling clean and invigorated.

Our toothpaste is perfect for use in a variety of occasions and scenarios. At home, it can be used by individuals of all ages to maintain good oral hygiene and freshen their breath. The fresh fragrance of our toothpaste makes it perfect for use before social events, dates, or meetings, ensuring that you always make a good impression.

In addition to its use as a toothpaste, Plant Fragrance Toothpaste can also be used in a variety of other ways. Its fresh fragrance makes it perfect for use as a home fragrance scented candle. Simply add a dollop of toothpaste to a candle and light it to fill your home with a delightful fragrance.

For those who prefer natural home fragrances, our toothpaste can also be used as a home fragrance essential oil. Simply add a few drops of toothpaste to a diffuser or vaporizer to fill your home with a fresh, clean scent.

Our toothpaste is available for purchase in carton drum packing or iron drum packing, making it easy to store and use. With a shelf life of 1-3 years, you can be sure that our toothpaste will remain fresh and effective for years to come.

Whether you are looking for a toothpaste to maintain good oral hygiene or a home fragrance product to freshen up your living space, Plant Fragrance Toothpaste is the perfect product for you. With 20 years of manufacturing experience, we guarantee that our toothpaste

will meet all your needs and expectations.

Customization:

Our high-quality product has a shelf life of 1-3 years and comes with the advantage of 20 years of manufacturing experience. It is suitable for use in a range of perfume products and is commonly referred to as Perfume Fragrance Oil. We support OEM customization, including logo, product volume net content, product packaging, and a variety of fragrances to choose from.

Support and Services:

Our fragrance essence oils are designed to provide a refreshing and clean feeling to your mouth. Our technical support team is available to answer any questions you may have regarding the use and effectiveness of our product. In addition, we offer services such as product demonstrations, training sessions, and troubleshooting assistance to ensure that you are getting the most out of your purchase. Our team is dedicated to providing excellent customer service and ensuring that you are completely satisfied with your experience using our fragrance essence oils.
