We support OEM, allowing you to create your own signature scent or replicate renowned perfumes. With our Perfume Fragrance Oil, leave your unique impression wherever you go, ensuring a lasting impact.

Explore our free samples of Perfume Fragrance Essence, featuring 10-15 different scents in convenient 10 ml sizes. Discover a variety of fragrances to find your perfect match.

Packaged in your choice of plastic or iron containers, our Perfume Fragrance Oil ensures freshness and durability, maintaining its quality over time.

Enjoy the sweet floral aroma of our Perfume Fragrance Oil, ideal for every occasion with its fresh and feminine scent.

Benefit from its high temperature resistance, ensuring the scent remains vibrant even in warm conditions, keeping you smelling great all day.

With its high purity, our Perfume Fragrance Oil guarantees long-lasting fragrance retention, minimizing the need for frequent reapplication.

Choose our environmentally friendly and non-toxic Perfume Fragrance Oil, a responsible choice for those prioritizing environmental impact and health.

Backed by 20 years of manufacturing expertise, our Perfume Fragrance Oil is meticulously crafted with premium ingredients for exceptional quality.

Discover the enduring, high-quality fragrance of our Perfume Fragrance Oil today and enjoy a day filled with delightful scents.

### Advantages:

- (1) Greatly prolong the fragrance lasting time. Excellent fragrance retention effects, reduce the volatilization speed of fragrance, and prolong the time of fragrance retention by 2-2.5 times
- (2) Increases the strength of fragrance, making the fragrance long-lasting and retain for a long time
- (3) Small usage, 20-30% of the fragrance, saving the costs
- (4) Almost colorless and odorless, will not affect the original color and smell of the fragrance
- (5) High solubility with oil-soluble and water-soluble, suitable for all kinds of fragrances and perfumes

### Customization:

Our high-quality product has a shelf life of 1-3 years and comes with the advantage of 20 years of manufacturing experience. It is suitable for use in a range of perfume products and is commonly referred to as Perfume Fragrance Oil.

We support OEM customization, including logo, product volume net content, product packaging, and a variety of fragrances to choose from.

### Support and Services:

Our Perfume Fragrance Oil product is made from high-quality ingredients to provide a long-lasting and pleasant scent. Our technical support team is available to answer any questions you may have about the product, including its usage and compatibility with other materials. Additionally, we offer a range of services to assist you in the proper use and storage of the product, including product training, custom blending, and sample testing. Our goal is to ensure that you have a positive and successful experience with our Perfume Fragrance Oil product.

### Packing and Shipping:

#### Product Packaging:

Our fragrance essence oils come in a stable plastic or iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

#### Shipping:

The fragrance essence oil product will be shipped using a reputable courier service. The product will be carefully packaged to prevent any damage during transit. Customers will receive a tracking number so that they can track their shipment and know when to expect delivery. Shipping times may vary depending on the destination, but we will do our best to ensure that the product arrives as quickly as possible.
