Product Description

Product Description:

With over 20 years of manufacturing experience, we take pride in delivering high-quality products to our customers. Our Soap Fragrances come in both plastic and iron packaging, providing you with a choice of your preferred packaging material.

At our company, we support OEM for Fragrance Oil for Perfume. You can customize your own scent or choose from other famous perfumes to create a unique fragrance that leaves the scent all over with you. Our soap fragrances are perfect for anyone who loves to smell great and feel refreshed.

Our Soap Fragrances are an excellent addition to your personal care routine. The gentle cleansing formula is perfect for every skin type, providing a refreshing and moisturizing experience. Our oat soap bar is perfect for those looking for an organic and natural alternative to traditional soap bars. It provides a rich lather and nourishes the skin, leaving it soft and supple.

In addition to our oat soap bar, we also offer refreshing citrus soap. The invigorating fragrance of citrus will awaken your senses and leave you feeling energized. Our refreshing citrus soap is perfect for those who want to start their day with a burst of energy.

Effects:

Oat essence oil is commonly used in soap, offering the following benefits and effects:

Gentle Moisturization: Oat is rich in natural moisturizers and antioxidants, effectively nourishing and protecting the skin. This makes the soap gentler, suitable for dry and sensitive skin types.

(1) Soothing and Anti-inflammatory: Oat has excellent soothing and anti-inflammatory properties, helping to alleviate skin inflammation and discomfort. It is ideal for caring for sensitive or damaged skin.

(2) Exfoliation and Skin Softening: Oat particles serve as a natural gentle exfoliant, aiding in the removal of dead skin cells and leaving the skin softer and smoother.

(3) Antioxidant Protection: The antioxidants in oat help the skin combat damage from free radicals, slowing down the aging process and maintaining skin health and youthfulness.

(4) Cleansing and Hydration: Oat essence oil enhances the cleansing efficacy of soap and maintains the skin's moisture balance during washing, preventing excessive dryness.

Overall, oat essence oil in soap not only provides natural moisturizing and anti-inflammatory properties but also offers softening and nurturing effects suitable for various skin types in daily use. It is particularly beneficial for skin needing extra hydration and soothing care.
