Product Description

Product Description:

Strawberry oil offers a range of health and cosmetic benefits:

Health Benefits:

- Due to its high tannic acid content, strawberry oil has antibacterial, anti-enzymatic, and astringent properties that aid digestion, support pancreatic and hepatic gland functions, soothe upset stomachs, and stimulate appetite. It also helps alleviate mild urinary tract infections.
- Internally, it can be used to manage diarrhea and chronic dysentery.
- As a massage oil, it effectively helps with rheumatism and gout.
- It is beneficial for treating open sores and sunburns.
- It supports the treatment of liver and kidney complaints.

Cosmetic Benefits:

- Cold-pressed strawberry oil yields a clear carmine oil with a light texture and a slightly sweet and acidic aroma, ideal for skincare.
- It acts as a natural bleach, useful for whitening teeth and lightening skin when applied topically.
- Used in skincare creams, it tones the skin, reduces wrinkles, lightens freckles, and soothes sunburn.
- Strawberry oil facial masks improve facial skin tone, leaving it soft, silky, and helping to smooth out wrinkles.
- It serves as a potent emollient and lubricating oil, packed with natural skin care ingredients and antioxidants that combat free radicals.

Applications:

The use of strawberry essential oil in shower gel is mainly to increase the fragrance of the product and enhance the use experience. **Here are some characteristics of strawberry essence used in shower gel:**

- 1. Fresh aroma:** Strawberry essential oil provides a sweet, fresh aroma to the shower gel, making the bathing process more pleasant. This fragrance brings a sense of relaxation and pleasure, adding to the pleasure of daily bathing.
- 2. Attract consumers:** The sweet aroma of strawberry essential oil is generally considered attractive, so adding strawberry essential oil to shower gel can help products be more competitive in the market and attract consumers who like fruity scents.
- 3. Long-lasting fragrance:** Strawberry essential oil can leave a light fragrance after bathing, giving the skin a natural fruity scent, making people feel fresh all day long.
- 4. Combined with other ingredients:** Strawberry essential oil can be used with other skin care ingredients such as moisturizers and antioxidants to enhance the overall effect of the shower gel and make the skin more hydrated and smooth.

Strawberry essential oil shower gel is suitable for various occasions and scenes. You can use home fragrance essential oils to create a relaxing atmosphere for your home. Strawberry essential oil can last for a whole day. You can also use it as an essential scent in your bath water to soothe your skin and calm your senses.

To use the product, add a few drops to water or apply directly to skin. The scent is sweet strawberry and the packaging is available in plastic or iron tubs. Try the Botanical Fragrance Shower Gel Fragrance today and enjoy the pleasant aroma of fresh strawberries.

Customization:

The quality of our company's products is consistent with that of the top 4 international flavor companies. Our company is very competitive among Chinese flavor companies. In addition to ordinary flavors and fragrances, our imitation fragrance technology is also greatly affirmed, and the number of imitation fragrances is also the most complete. Our products have been sold to more than 80 countries.

* We can imitate everything you want, our advantages are very clear. Please believe us.

* We shape 100% concentrate cosmetic fragrance oil with the highest levels of creativity, performance and naturality to bring the most memorable moments to caring, cleaning and perfuming, sustainably.

"Fragrances bring another layer to Life, they enhance every day's experience"
