## Product Description

### Product Description:

The green tea fragrance essential oil in shampoo products has several main **effects and benefits**:

**Antioxidant Protection:** Green tea essential oil is rich in antioxidants such as catechins, which effectively combat damage caused by free radicals. This helps protect the scalp and hair from environmental pollution and UV damage.

**Purifying Cleansing:** Green tea essential oil has a natural, refreshing aroma that effectively cleanses the scalp and hair, removing excess oil and dirt, leaving the hair feeling clean and light.

**Promotes Growth:** Green tea essential oil helps stimulate blood circulation in the scalp, which promotes healthy hair growth and strengthens the hair roots.

**Moisturizing:** Green tea essential oil helps maintain the moisture balance of the scalp and hair, reducing dryness and hair breakage, making the hair softer and more lustrous.

**Soothing:** The aroma of green tea is known to have a relaxing and calming effect, improving mood and reducing stress, making the shampooing experience pleasant.

In summary, green tea essential oil as an ingredient in shampoo products not only cleanses and protects but also provides antioxidant benefits, promotes hair growth, moisturizes, and soothes, making it suitable for daily hair care for all hair types.
