## Product Description

### Product Description:

Cherry fragrance essence oil plays a crucial role in air fresheners by imparting a pleasant cherry fragrance to the product, thereby enhancing its appeal and improving consumers' usage experience. Specifically, cherry fragrance essence oil can:

**Increase product appeal:** Cherry fragrance essence oil adds an enticing cherry aroma to air fresheners, attracting consumers and encouraging them to purchase and use the product.

**Enhance usage experience:** Cherry fragrance essence oil brings a delightful fragrance to air fresheners, creating a relaxing and comfortable atmosphere for users. This pleasant aroma improves the environment and enhances the functionality of the air freshener.

**Mask unpleasant odors:** The fragrance of cherry fragrance essence oil effectively masks or reduces indoor odors such as cooking smells, smoke, or other unpleasant odors, making the air fresher and more pleasant.

In conclusion, cherry fragrance essence oil as an ingredient in air fresheners not only provides a pleasant cherry fragrance but also enhances the product's market appeal and improves the user's experience, making air fresheners more attractive and practical.

### Technical Parameters:

#### Main Components:

The main components of fragrance essence oils include the following categories:

Natural flavor components:

1. Plant essential oils: such as lemon oil, rose oil, lavender oil, etc.
2. Animal extracts: such as musk, civet, etc.
3. Natural fragrance woods: such as sandalwood, agarwood, etc.

Synthetic flavor components:

1. Aliphatic compounds: such as alcohols, ketones, esters, etc.
2. Aromatic compounds: such as vanillin, coumarin, etc.

Fixatives:

Used to enhance the longevity of the flavor, such as ambrette seed oil, ambroxan, etc.

Solvents:

Used to dissolve the flavor, such as alcohol, propylene glycol, vegetable oils, etc.

Emulsifiers and stabilizers:

Used to improve the stability and uniformity of the flavor.

Other additives:

Such as preservatives, colorants, etc.

### Applications:

One of the great things about the Plant Fragrance Air Freshener Fragrances product is that it can be used in a variety of different ways. For example, it can be added to a diffuser to create a beautiful and calming aroma that fills the room. Alternatively, it can be used as a spray to freshen up your home and eliminate unpleasant odors. The product is also perfect for use in aromatherapy, as it has been specifically designed to promote relaxation and reduce stress.

The Plant Fragrance Air Freshener Fragrances product is perfect for use in a wide range of different situations and scenarios. For example, it is great for freshening up your home after cooking, or for creating a welcoming atmosphere for guests. It is also perfect for use in the workplace, where it can help to improve productivity and reduce stress levels.

The Plant Fragrance Air Freshener Fragrances product is available in a range of different sizes, from 10ml all the way up to 200kg. This makes it perfect for both personal and commercial use. The product is also very easy to use, with an add ratio of just 0.4%-0.8%. This means that you can easily control the strength of the scent and create the perfect atmosphere for your needs.

The Plant Fragrance Air Freshener Fragrances product is made in China, Guangdong, and is certified by MSDS, IFRA, CE, and ISO. It has a minimum order quantity that can be negotiated and is priced at \$20.00 for 1-49 kilograms, with larger orders also available at negotiable prices. The product is available in both plastic and iron barrel packaging, with carton drum packing and iron drum packing options available.

### Support and Services:

Our Air Freshener Fragrances product offers technical support and services to ensure a pleasant and long-lasting scent in your home or office. Our team of experts is always available to answer any questions or concerns you may have regarding the product's usage and performance.

We also offer a range of services, including refill deliveries and installation assistance, to ensure that your air freshener is always in top condition. Additionally, we provide product recommendations and tips on how to optimize its performance and efficiency.

Our goal is to provide our customers with the best possible experience with our Air Freshener Fragrances product. If you ever have any issues or questions, please do not hesitate to contact us.

### Packing and Shipping:

#### Product Packaging:

Our fragrance essence oils come in a stable plastic or iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

#### Shipping:

Orders are processed within 24 hours of payment.

Products are shipped through trusted courier services.

Delivery time may vary depending on the location.

Customers will receive tracking information via email once the order is shipped.
