Applications:

The Plant Fragrance brand offers a range of Perfume Fragrance Oils that are perfect for various applications. The LDZ-PL10302 model is manufactured in Guangdong, China, and comes with certifications such as COA, MSDS, IFRA, CE, and ISO. The minimum order quantity for the Perfume Fragrance Oil is to be negotiated, and the price starts from \$20.00 for 1-49 kilograms, which is also negotiable.

The Perfume Fragrance Oil is a Fragrant Perfume Essence that can be used in various scenarios such as candle making, soap making, bath bombs, and home fragrance products. The Perfumed Fragrance Oil can add an extra layer of luxury to your products and make them stand out from the rest.

The Perfume Fragrance Essence has an add ratio of 5%-15%, which means that a small amount of the oil can go a long way. The Water Energy Fragrance Essence Oil is perfect for those who want to create a calming and rejuvenating environment in their homes or offices.

The Plant Fragrance brand offers free samples of 10-15 kinds, each about 10 ml, for customers who want to test the product before making a purchase. The delivery time for the trial order is 5-8 working days, while the OEM order takes 8-15 working days. The payment terms include T/T, Western Union, Ali Pay, and Paypal. The supply ability of the Perfume Fragrance Oil is 2000 Kilogram/Kilograms per day, making it easy for businesses to order in bulk.

Support and Services:

Our Perfume Fragrance Oil is made with high-quality ingredients to ensure a long-lasting and pleasant scent. If you experience any issues with our product, our technical support team is available to assist you with troubleshooting and resolving any problems.

In addition, we offer a range of services to enhance your experience with our Perfume Fragrance Oil. This includes personalized fragrance consultations, fragrance customization options, and bulk purchasing for commercial use.

Our goal is to provide exceptional customer service and ensure your satisfaction with our product. Please do not hesitate to contact us with any questions or concerns.

Packing and Shipping:

Product Packaging:

Our fragrance essence oils come in a stable plastic or iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

Shipping:

The product will be shipped through a reliable courier service.

Shipping charges will be calculated based on the destination and weight of the package.

The estimated delivery time will be communicated to the customer after the product is shipped.

The customer will also receive a tracking number to track the shipment.
