## Product Description

### Product Description:

Aisia Charm Fragrance or Aisia Charm Fragrance Essence Oil, as it is also known, is a high-quality product that provides a long-lasting, refreshing scent to your clothing. It is perfect for use in all types of washing powders and laundry detergents, making it a popular choice among consumers.

One of the key advantages of these fragrances is their high temperature resistance. They can withstand high heat levels, ensuring that the scent remains intact even after washing your clothes at high temperatures. Additionally, these fragrances have a high purity level, ensuring that the scent lasts for a long time after washing.

These fragrances are environmentally friendly and non-toxic, making them safe for use around pets and children. They are produced by a manufacturer with over 20 years of experience in the industry, ensuring that you receive a high-quality product every time.

Free samples can be offered for testing before ordering, allowing you to try out the fragrances before committing to a full purchase.

Overall, if you're looking for a high-quality scent for your laundry, Laundry Detergent Fragrances are the perfect choice. They are available in a range of sizes and are suitable for use in all types of washing powders and laundry detergents. Try them out today and experience the refreshing scents that these fragrances have to offer.

### Applications:

The LDZ-PL50012 is made in Guangdong, China and has certifications such as COA, MSDS, IFRA, CE, and ISO. This ensures that the product is high quality and safe to use. With a minimum order quantity to be negotiated and a price range of \$20.00 for 1-49 kilograms, this product is affordable and accessible to a wide range of customers.

The fragrance is packaged in carton drums that contain 5kgs/drum, 4 drums/carton, and 20kgs/carton (41\*28\*33.5cm). Alternatively, it can be packaged in iron drums with a capacity of 25 kg/drum (D: 30cm, H: 45cm) (0.032cbm). The product can be delivered within 5-8 working days for trial orders and 8-15 working days for OEM orders. Accepted payment methods include T/T, Western Union, Ali Pay, and Paypal. The product has a supply ability of 2000 Kilogram/Kilograms per day.

One of the advantages of LDZ-PL50012 is its high temperature resistance, making it ideal for use in hot water washing machines.

Additionally, the fragrance has a high purity and long-lasting fragrance retention, providing a refreshing scent for a longer period of time.

The product is also environmentally friendly and non-toxic, making it safe for use around children and pets. Moreover, Plant Fragrance has 20 years of experience in manufacturing laundry detergent fragrances and fabric care fragrances, ensuring that the product is of high quality.

### Support and Services:

In addition to our superior cleaning capabilities, we also offer a range of fragrances that will leave your clothes smelling fresh and clean. Our fragrances are specially formulated to last longer and provide a more intense scent than other laundry detergents on the market.

If you have any questions or concerns about our Laundry Detergent Fragrances product, our technical support team is available to assist you. We also offer a range of services to help you get the most out of our product, including product training, troubleshooting, and maintenance.

### Packing and Shipping:

#### Product Packaging:

Our fragrance essence oils come in a stable plastic or iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

#### Shipping:

The fragrance product is carefully packed and shipped in a secure and protective box to ensure that it reaches our customers in perfect condition. We use reliable and efficient shipping services to ensure that our customers receive their orders on time. We also provide tracking information for every order, so customers can track their package and know when to expect their delivery.
