Product Description

Product Description:

Red berry essence oil provides several **benefits and effects** in enhancing the fragrance of body ware products:

1. **Pleasant Aroma:** Red berry essence oil imparts a pleasant fruity fragrance to the product, making users feel fresh and joyful during use.
 2. **Enhanced Product Appeal:** Fragrance is a crucial selling point for body care products. The addition of red berry essence oil can make the product more appealing in the market, attracting more consumers.
 3. **Sensory Experience:** The aroma of red berries stimulates the sense of smell, improving the product usage experience and enhancing sensory enjoyment for users.
 4. **Increased Consumer Appeal:** Many consumers enjoy fruity fragrances. Therefore, adding red berry essence oil can increase the product's popularity and enhance consumer preference.
 5. **Brand Differentiation:** Red berry essence oil helps the product establish a unique brand identity in the market, distinguishing it from competitors.
- Overall, the use of red berry essence oil in body care products not only provides a pleasant fragrance but also enhances the product's market appeal, improves sensory experience for users, and enhances brand recognition.

Applications:

Our body wash comes in a range of sizes, from 10ml to 200kg, and can be packaged in either plastic or iron barrels. This means you can choose the size and packaging that best suits your needs, whether you're looking for a small amount for personal use or larger quantities for commercial use.

Plant Fragrance Body Wash is perfect for daily use, providing a refreshing and invigorating experience in the shower. Our essence fragrance is carefully crafted to provide a long-lasting scent that will leave you feeling fresh and clean for hours.

But our body wash is not just for personal use. It can also be used in a range of commercial settings, such as spas, hotels, and gyms. The refreshing scent of our body wash will create a welcoming and relaxing atmosphere for your clients and customers.

In addition to being used on its own, our body wash can also be combined with other Plant Fragrance products to create a complete fragrance experience. For example, you can use our body wash along with our Home Fragrance Scented Candle to create a relaxing and inviting atmosphere in your home.

Our body wash is also perfect for industrial use, such as in the manufacturing of other fragrance products. The essence fragrance in our body wash can be used to create a wide range of other products, including perfumes, colognes, and air fresheners. When you choose Plant Fragrance Body Wash, you can be confident that you're getting a high-quality product that is safe, effective, and versatile. With a minimum order quantity to be negotiated and a price of \$20.00 for 1-49 kilograms (price to be further negotiated), our body wash is also affordable and accessible. We offer fast delivery times for both trial and OEM orders, and a range of payment options, including T/T, Western Union, Ali Pay, and Paypal. Order your Plant Fragrance Body Wash today and leave the essence fragrance all over with you!

Packing and Shipping:

Product Packaging:

Our fragrance essence oils come in a stable Plastic Or Iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

Shipping:

The fragrance product is carefully packed and shipped in a secure and protective box to ensure that it reaches our customers in perfect condition. We use reliable and efficient shipping services to ensure that our customers receive their orders on time. We also provide tracking information for every order, so customers can track their package and know when to expect their delivery.
