Product Description

Product Description:

Our Shampoo Fragrances are oil and water-soluble, making it easy to mix with your shampoo without leaving any residue. With an add ratio of 0.1%-0.5%, you can add the right amount of fragrance to your shampoo that won't overpower your natural scent. We offer Shampoo Fragrances in different packing sizes, ranging from 10ml to 200kg, which makes it easier for you to choose a size that suits your preference. Whether you're looking for a small sample size or a larger one, we've got you covered. Our Shampoo Fragrances are so versatile that you can use them for other purposes aside from adding them to your shampoo. You can use them to create your own Home Fragrance Scented Candle or mix them with carrier oils to create Aromatherapy Fragrances that help to improve your mood and promote relaxation. Our Shampoo Fragrances are a must-have for anyone who wants to add a touch of luxury to their hair care routine. With its unique scent and versatility, it's a product that you won't regret investing in.

Advantage:

The quality of our company's products is consistent with that of the top 4 international flavor companies. Our company is very competitive among Chinese flavor companies. In addition to ordinary flavors and fragrances, our imitation fragrance technology is also greatly affirmed, and the number of imitation fragrances is also the most complete. Our products have been sold to more than 80 countries. * We can imitate everything you want, our advantages are very clear. Please believe us. * We shape 100% concentrate cosmetic fragrance oil with the highest levels of creativity, performance and naturality to bring the most memorable moments to caring, cleaning and perfuming, sustainably. "Fragrances bring another layer to Life, they enhance every day's experience"
