Product Description

Product Description:

This fragrance oil is also known as Gardenia Essence Oil or Gardenia Fragrance, and can be used in a variety of ways beyond shampoo. It can be used as an ingredient in body essential oils perfume, or added to a home fragrance diffuser to create a relaxing atmosphere in your home.

We offer OEM service, so you can customize the fragrance to your brand's specifications. The packaging options include plastic or iron barrels, depending on your preferences.

Overall, our Shampoo Fragrances product is a versatile and customizable way to add a pleasant scent to your hair care routine and beyond.

As a fragrance ingredient in shampoo products, Gardenia fragrance oil offers the following **benefits and effects**:

Pleasant aroma: Gardenia fragrance oil gives shampoo products a unique floral scent, emitting a fresh and sweet aroma that enhances the user's hair-washing experience, making shampooing more enjoyable and pleasant.

Long-lasting fragrance: The fragrance of Gardenia fragrance oil is relatively long-lasting, lingering on the hair for some time after use, providing a lasting aromatic sensation.

Emotional soothing: The aroma of Gardenia fragrance oil has a soothing and relaxing effect, helping to alleviate stress, anxiety, and fatigue, thereby enhancing the user's mood.

Harmonizing fragrance: As a blending fragrance in shampoo products, Gardenia fragrance oil blends with other ingredients to create an elegant and harmonious floral scent.

Increased product appeal: The unique aroma of Gardenia fragrance oil enhances the attractiveness of shampoo products, appealing to consumers who enjoy floral scents.

In conclusion, Gardenia fragrance oil, as a fragrance component in shampoo products, not only enhances the quality of the fragrance and the user's experience, but also adds layers of enjoyment through its long-lasting aroma and emotional benefits during hair washing.
