And with our add ratio of 0.4%-0.8%, you can be sure that you're getting the perfect amount of fragrance for your needs, without any overpowering scents or unpleasant odors.

So why wait? Try our Air Freshener Fragrances today and experience the sweet, invigorating scent of grapefruit in your space!

As a fragrance ingredient in air freshener products, grapefruit essence oil offers the following **benefits and effects**:

1. **Pleasant aroma:** Grapefruit essence oil gives air fresheners a unique fruity scent, emitting a fresh and sweet aroma that enhances the user's experience, making indoor air more pleasant and comfortable.
2. **Long-lasting fragrance:** The fragrance of grapefruit essence oil is relatively long-lasting, remaining in the air for a period of time after use, continuously adding a fresh fruity scent to the air.
3. **Air purification:** Grapefruit essence oil not only provides aroma but also helps to some extent in masking and absorbing odors in the air, making indoor air fresher and more pleasant.
4. **Emotional regulation:** The fresh fruity scent of grapefruit essence oil can bring a sense of pleasure and relaxation, helping to improve the user's mood and reduce stress and anxiety.
5. **Increased product appeal:** The unique aroma of grapefruit essence oil enhances the attractiveness of air freshener products, appealing to consumers who enjoy fruity scents.

In conclusion, as a fragrance component in air freshener products, grapefruit essence oil not only enhances the quality of the fragrance and the user's experience but also contributes positively to air purification and improving indoor environments through its long-lasting fruity aroma and emotional benefits.
