Product Description

Product Description:

Available in a range of packing sizes, including 10ml, 30ml, 125ml, 1kg, 2kg, 5kg, 10kg, 20kg, 25kg, and 200kg, this product can be purchased in plastic or iron barrels, depending on your needs. Whether you are a small business or a large-scale manufacturer, we have a packing size that will suit your needs.

The Shampoo Fragrances product is also known as Freesia Fragrance Essence Oil, and can be used in a variety of other applications, such as in-home fragrance diffusers, aromatherapy fragrances, and even as a hotel collection fragrance oil. This versatility makes it a great choice for businesses that offer a range of products, or for individuals who want to experiment with different uses for fragrance oils. When storing this product, it is important to keep it in a cool and dry place to ensure that the fragrance stays fresh and potent. With proper storage, this fragrance oil can last for a long time, providing you with a reliable and cost-effective source of scent for your products.
