Product Description

Product Description:

Our fragrances are oil and water soluble, allowing for ease of use in any soap making process. They come in a range of convenient packing sizes, including 1kg, 2kg, 5kg, 10kg, 25kg, and even 200kg for industrial use.

One of the main advantages of our fragrances is their high temperature resistance, ensuring their longevity and continued scent retention. Our fragrances are also of high purity, providing a long-lasting fragrance retention that will leave your soap smelling fresh for longer. In addition to their superior scent quality, our fragrances are also environmentally friendly and non-toxic, making them a safe and sustainable choice for all your soap making needs. As a company, we have over 20 years of manufacturing experience, ensuring that our products are of the highest quality standards.

Our fragrances come in the form of a light yellow or colorless liquid oil, making them easy to incorporate into any soap making process. Whether you're looking to create your own signature soap scent or enhance your existing soap products, our Soap Fragrances product is the perfect choice.

Technical Parameters:

Reference Addition:

product type	reference addition(%)	produce type	reference addition(%)
perfume	5%-15%	paint	0.05%-0.2%
laundry detergents	0.1%-0.5%	candle	1.2%-3%
shampoo and hair conditioner	0.1%-0.5%	toys	0.1%-0.5%
dish wash	0.1%-0.6%	body wash	0.1%-0.5%
soap type	0.8%-1.5%	air freshener	0.4%-0.8%

Applications:

Our soap fragrances are perfect for daily use and can be added to various soaps such as rose petal-scented soap, soothing vanilla soap, and plant-based soap. They are oil and water-soluble, making them easy to use in different types of soap-making processes. Our soap fragrances are environmentally friendly and non-toxic, making them safe for use around children and pets.

The high-temperature resistance of our soap fragrances ensures that the scent is long-lasting and does not fade away easily. Our fragrances are also highly pure, ensuring that the scent is retained for a long time. With over 20 years of manufacturing experience, we have perfected the art of creating soap fragrances that are of the highest quality and meet the needs of our customers.

Our soap fragrances are suitable for use in various scenarios such as homes, hotels, and spas. They can be used to add a fresh scent to towels, bed linens, and bathrobes. They are also ideal for use in different industrial applications such as candle and perfume making.

We offer a minimum order quantity that can be negotiated, and our supply ability is 2000 kilograms per day. We accept different payment methods such as T/T, Western Union, Ali Pay, and Paypal, making it easy and convenient for our customers to purchase our products.

The delivery time for trial orders is 5-8 working days, while OEM orders take 8-15 working days. Our soap fragrances come in plastic or iron barrels, making them easy to store and transport.

Choose Plant Fragrance for high-quality soap fragrances that are perfect for adding some extra freshness to your daily life.
