Product Description

Product Description:

We offer a range of packing sizes to suit your needs. Choose from 10ml, 30ml, 125ml, 1kg, 2kg, 5kg, 10kg, 20kg, 25kg, or 200kg. Our daily flavor and industrial flavor options allow you to create the perfect scent for your space.

Our Air Freshener Fragrances product is designed to provide the perfect balance of flavor and fragrance. Our carefully selected ingredients ensure that our fragrances are long-lasting and effective at neutralizing unpleasant odors. Use our fragrances in your diffuser, or add them to your cleaning products to leave your home smelling fresh and clean.

Our Flavour Fragrance options are perfect for those who love to experiment with different scents. Our fragrances are perfect for use in industrial environments, such as factories or warehouses. They are also great for use in offices or other commercial spaces where a pleasant scent is important.

Choose our Air Freshener Fragrances product for a premium selection of diffuser fragrances that will leave your space smelling fresh and inviting. With our range of packing sizes, you can find the perfect option to suit your needs. Try our fragrances today and experience the difference for yourself.

Odor:

The scent of pure and moist fragrance essential oil can be described as fresh, delicate, and subtly sweet. It typically emanates a gentle floral aroma, possibly with hints of light fruity notes or refreshing herbal undertones. Overall, this perfume gives a clean, comfortable, and elegant feeling, suitable for daily use or to add a refreshing touch during warm seasons.

Applications:

The Plant Fragrance Air Freshener Fragrances is a high-quality product that offers a long-lasting fragrance retention. The product is a perfect blend of Aromatherapy Fragrances and Flavour Fragrance, which can be used in multiple scenarios and occasions.

The fragrances are perfect for use in homes, offices, and other indoor areas. The product is environmentally friendly and non-toxic, making it safe to use around children and pets. The fragrances are available in different packaging sizes, ranging from 10ml to 200kg, making it easy for customers to choose the best option for their needs.

The Plant Fragrance Air Freshener Fragrances are also a great option for industrial use. The product is perfect for use in factories, warehouses, and other industrial areas. The fragrances are high-temperature resistant, ensuring that the fragrance remains potent even in hot environments.

The Plant Fragrance Air Freshener Fragrances are certified by MSDS, IFRA, CE, and ISO, ensuring that the product meets the highest quality standards. Customers can be assured that they are getting a high-quality product that has been manufactured to the highest standards.

The fragrances can be used in a variety of ways, including in diffusers, humidifiers, and air fresheners. The fragrances are easy to use, and the add ratio is 0.4%-0.8%, making it easy for customers to control the amount of fragrance they want to use.
