## Product Description

### Product Description:

The fragrance has a delightful sweet scented aroma that is reminiscent of the beautiful Sakura flower. This fragrance is perfect for creating a calming and soothing atmosphere while washing your hands. It is perfect for use in soap products such as Tiny Bubbles Hand Soap and Soothing Vanilla Soap.

The Soap Fragrances product comes in a range of packing sizes to suit your needs, including 1kg, 2kg, 5kg, 10kg, 25kg, and 200kg. The packaging is available in either plastic or iron barrels to suit your preferences.

The add ratio for this fragrance is between 0.8% to 1.5%, making it a cost-effective solution for adding a sweet scent to your soap products. The Soap Fragrances product is easy to use, simply mix the fragrance into your soap base to create a delightful scent.

Cherry blossom essence oil in soap products primarily provides multiple **benefits and effects** in terms of fragrance:

- Enhanced Aromatic Scent:** Cherry blossom essence oil imparts a rich cherry blossom fragrance to soap products, typically described as sweet, fresh, and enchanting, allowing users to enjoy a pleasant floral scent during handwashing.
  - Enhanced User Experience:** Fragrance is crucial for enhancing the sensory experience of users. Cherry blossom essence oil ensures that soap products emit a unique floral aroma when used, enhancing user comfort and satisfaction.
  - Aesthetic Enhancement:** Soap is not only a cleansing product but also an aesthetic experience in daily life. Cherry blossom essence oil gives soap products a special floral fragrance and visual appeal, enhancing their aesthetic and user experience value.
- In summary, cherry blossom essence oil enhances soap products with its intensified floral fragrance, providing multiple benefits solely in terms of fragrance, thereby making the handwashing process more pleasant and enjoyable.
