Product Description

Product Description:

The Blending Essential Oils come in a range of packing options, including plastic or iron barrels, with sizes ranging from 10ml to 200kg. This makes it easy to find the perfect size and type of packing for your needs.

These oils have a shelf life of one year when opened and three years when unopened, ensuring that you get the most out of your purchase. The light yellow liquid oil form makes it easy to use and blend with other essential oils to create your signature aroma. Blending Essential Oils are perfect for those who want to create their own unique aroma blends for personal use or for use in the industrial sector. These oils are of the highest quality and are sure to provide the perfect scent for any occasion.

Whether you are using these oils for daily use or for industrial purposes, you can be sure that you are getting the best quality product available. So why wait? Start creating your own signature aroma blends with Blending Essential Oils today!

Overall, using essential oils has become a popular way to create a relaxing and enjoyable environment. And with Blending Essential Oils, you can take your aroma experience to the next level. These oils are perfect for anyone who wants to create their own unique blends or wants to enjoy the benefits of essential oils in their daily life.

Advantage:

The quality of our company's products is consistent with that of the top 4 international flavor companies. Our company is very competitive among Chinese flavor companies. In addition to ordinary flavors and fragrances, our imitation fragrance technology is also greatly affirmed, and the number of imitation fragrances is also the most complete. Our products have been sold to more than 80 countries.

* We can imitate everything you want, our advantages are very clear. Please believe us.

* We shape 100% concentrate cosmetic fragrance oil with the highest levels of creativity, performance and naturality to bring the most memorable moments to caring, cleaning and perfuming, sustainably.

"Fragrances bring another layer to Life, they enhance every day's experience"
