Product Description

Product Description:

The Add Ratio for this product is 5%-15%, which means that only a small amount is needed to achieve a strong scent. This product is available in various packing sizes such as 10ml, 30ml, 125ml, 1kg, 2kg, 5kg, 10kg, 20kg, 25kg, and 200kg.

Our Fragrance Oil is perfect for those who want to create their own scent or replicate other famous perfumes. We support OEM, which means we can create your own scent and leave the scent all over with you.

We also offer free samples of our Fragrance Oil. Customers can try out 10-15 kinds, each about 10ml, to find the perfect scent for their liking.

In conclusion, our Fragrance Oil is a versatile product that can be added to various products such as perfumes, lotions, and candles to add a pleasant scent. This scented essential oil is available in various packing sizes and can be customized based on the customer's preferred scent. With our Fragrance Oil, you can leave a lasting impression and scent all over.

Coconut milk essence in shampoo products primarily serves multiple **benefits and effects** in terms of fragrance:

1. **Enhanced Coconut Aroma:** Coconut milk essence imparts a rich coconut fragrance to shampoo products, often described as sweet, tropical, and luxurious, creating a delightful aroma during the hair washing process.
2. **Enhanced User Experience:** Fragrance plays a crucial role in enhancing the sensory experience for users. Coconut milk essence ensures that shampoo products emit a distinctive coconut aroma, enhancing comfort and satisfaction during use.
3. **Emotional Uplift:** Fragrance can positively influence emotions. The tropical scent of coconut milk essence is known to evoke feelings of relaxation and pleasure, making the hair washing experience enjoyable and soothing.

In summary, coconut milk essence enhances shampoo products with its delightful coconut aroma, providing benefits solely in terms of fragrance, thereby enhancing the overall enjoyment and satisfaction of the hair washing process.
