Product Description

Product Description:

Our Blending Essential Oils are available in a range of packing sizes, including 10ml, 30ml, 125ml, 1kg, 2kg, 5kg, 10kg, 20kg, 25kg, and 200kg, making it easy for you to choose the perfect size for your needs. The colorless or light yellow liquid oil is infused with the aroma of sweet scented lavender, making it a perfect choice for aromatherapy essence oil.

Our Blending Essential Oils can be used for both daily and industrial flavor purposes, making them an essential ingredient for any kitchen or manufacturing plant. Whether you are creating a new essence flavor for your restaurant or creating a new scent for your perfume line, our essential oil is the perfect choice for you.

Our Blending Essential Oils are made using only the highest quality ingredients, ensuring that you get the best value for your money. Our essential oils are also long-lasting, ensuring that you can enjoy the benefits of your chosen scent for longer.

So why wait? Add our Blending Essential Oils to your collection today and experience the difference it can make to your life!

Advantages:

Air purification: The refreshing aroma of lavender essence can improve indoor air quality and help mask unpleasant odors.

Mood regulation: The scent of lavender is believed to be soothing, helping to reduce stress and anxiety and boost mood.

Relax the body and mind: After a stressful day at work or at the end of the day, the aroma of lavender can help the body and mind relax and promote rest.

Improve sleep: Use lavender essence in the bedroom, its aroma helps to create a quiet and relaxing environment and improve sleep quality.

Personal care: Lavender fragrance is often used in personal care products such as shampoo, body wash, skin care products to add a pleasant aroma experience.

Household cleaning: Adding lavender essence to household cleaning products can not only clean, but also give the home environment a fresh smell.

Handmade art: When making handmade soap, candles and other handicrafts, adding lavender essence can add a personalized aroma to the work.

Aromatherapy: The use of lavender perfume through an aromatherapy machine or an aromatherapy lamp can create a peaceful and comfortable atmosphere.

Pet care: Lavender essence is also used in pet care products to provide a refreshing aroma for pets while having a soothing effect.

Decoration: Lavender essence can be used in interior decoration, such as scented candles, sachets, etc., to add the beauty of the home environment.

Gifts: Lavender essence products are often used as gifts, because of its pleasant aroma, suitable for gifts to relatives and friends.

These benefits of lavender essence make it a popular choice to enhance the quality and enjoyment of life in everyday life.

Technical Parameters:

The **main components** of flavorings typically include the following categories:

Natural flavor components:

Plant essential oils: such as lemon oil, rose oil, lavender oil, etc.

Animal extracts: such as musk, civet, etc.

Natural fragrance woods: such as sandalwood, agarwood, etc.

Synthetic flavor components:

Aliphatic compounds: such as alcohols, ketones, esters, etc.

Aromatic compounds: such as vanillin, coumarin, etc.

Fixatives:

Used to enhance the longevity of the flavor, such as ambrette seed oil, ambroxan, etc.

Solvents:

Used to dissolve the flavor, such as alcohol, propylene glycol, vegetable oils, etc.

Emulsifiers and stabilizers:

Used to improve the stability and uniformity of the flavor.

Other additives:

Such as preservatives, colorants, etc.
