Product Description

Product Description:

Our Fragrance Oil product is versatile and can be used in various applications, including candles, soaps, lotions, and other skincare products. It is also perfect for creating your own signature scent or adding a unique fragrance to your existing products.

You can easily incorporate this perfume fragrance essence into your products with an add ratio of 5%-15%. This allows you to have full control over the strength of the fragrance in your final product. You can adjust the ratio based on your preferences or the desired level of scent in your product.

Our Fragrance Oil product comes in plastic or iron barrels, which are perfect for storage and transportation. The packaging ensures that the oil remains fresh and free from contamination. You can rest assured that the quality of the product remains consistent throughout its shelf life.

We understand that choosing the right fragrance can be challenging, especially when you're not sure what to expect. That is why we offer free samples of our Fragrance Oil product. You can choose from 10-15 kinds of samples, each about 10 ml. This allows you to test the fragrance before committing to a larger purchase.

In summary, our Fragrance Oil product is a high-quality scented perfume oil that is versatile and perfect for various applications. It is available in light yellow or colorless liquid oil form and has an add ratio of 5%-15%. We offer free samples to help you choose the right fragrance for your needs. So, if you're looking for a unique and high-quality scent for your products, give our Fragrance Oil a try today!

The **effects and benefits** of ginger flower essence oil in laundry detergent include:

1. **Fresh fragrance:** Ginger flower essence oil imparts a fresh aroma to the laundry detergent, ensuring clothes maintain a pleasant scent after washing.
2. **Antibacterial and deodorizing:** Ginger flower essence oil possesses antibacterial properties and helps to neutralize odors on clothes, promoting cleanliness.
3. **Long-lasting scent:** The fragrance of ginger flower essence oil persists on clothes post-wash, enhancing their appeal.
4. **Skin soothing:** Ginger flower essence oil may have soothing effects on the skin, ensuring the detergent is gentle when in contact with it.
5. **Environmentally sustainable:** Opting for laundry detergent with ginger flower essence oil contributes to reducing environmental impact during washing and ensures sustained cleaning efficacy.

Using laundry detergent enriched with ginger flower essence oil not only keeps clothes clean and pleasantly scented but also supports skin care and environmental sustainability efforts.
