Sweet orange essence primarily provides multiple **benefits and effects** in terms of fragrance in cleaning products:

1. **Pleasant Aroma:** Sweet orange essence gives cleaning products a rich, sweet orange fragrance, typically described as fresh, fruity, and enjoyable, allowing users to experience a pleasant scent during the cleaning process.
2. **Odor Neutralization:** Sweet orange essence contains natural citrus components that help neutralize and mask potential chemical odors in cleaning agents, making them more pleasant and acceptable.
3. **Enhanced Cleaning Experience:** Fragrance is crucial for enhancing the sensory experience of users. Sweet orange essence ensures that cleaning products emit a distinct citrus aroma when used, enhancing user comfort and satisfaction.

In summary, sweet orange essence enhances cleaning products with its pleasant aroma, odor-neutralizing properties, and improvement of the overall cleaning experience, making the cleaning process more enjoyable and effective.
