## Product Description

### Product Description:

Our Laundry Detergent Fragrances come in plastic or iron barrels, making them easy to store and use. You can use our fragrance oil for laundry detergent making, as well as for daily flavor and industrial flavor. Whether you are making your own laundry detergent or simply adding fragrance to your washing liquid or powder, our Laundry Detergent Fragrances will give your clothes an amazing scent. Our Laundry Detergent Fragrances have an add ratio of 0.1%-0.5%, which means you only need to add a small amount to your laundry detergent or washing liquid to get a great scent. This makes our fragrance oil a cost-effective and efficient way to make your clothes smell amazing.

If you are looking for washing liquid perfumes, washing powder perfumes, or laundry soap aromas, our Laundry Detergent Fragrances are the perfect choice. Our fragrance oil is high-quality and long-lasting, ensuring that your clothes will smell fresh and clean for days after they have been washed.

Order our Laundry Detergent Fragrances today and experience the amazing scent they will bring to your laundry routine!

Marigold fragrance essence oil provides the following aromatic **benefits** in laundry detergent:

1. **Fresh Floral Scent:** Marigold fragrance essence oil imparts a fresh and gentle floral aroma to the detergent. This scent not only leaves clothes pleasantly scented after washing but also enhances the overall laundry experience.

2. **Odor Masking:** Marigold fragrance essence oil helps mask unpleasant odors on clothes, such as sweat or mildew, making the laundered garments more fresh and inviting.

3. **Extended Fragrance Longevity:** Marigold fragrance essence oil typically enhances the longevity of the scent in laundry detergent, ensuring that clothes retain a fresh fragrance for a longer period after washing.

4. **Comforting Effect:** The scent of marigold fragrance essence oil is often associated with soothing and relaxing effects, thus using detergent with this oil can provide a more comfortable and enjoyable laundry experience.

Overall, marigold fragrance essence oil not only adds a fresh floral aroma to laundry detergent but also improves odor masking, extends fragrance longevity, and contributes to a more pleasant and comfortable laundry experience.

### Applications:

Plant Fragrance's Laundry Detergent Fragrances are perfect for those who want to add a touch of luxury to their laundry routine. The fragrances are specifically designed to provide a long-lasting and pleasant aroma to your clothes without being too overpowering. The fragrances are also environmentally friendly and non-toxic, making them safe for both you and the environment.

If you are someone who loves to take care of their fabrics, then Plant Fragrance's Laundry Detergent Fragrances are perfect for you. The fragrances are designed to be used in fabric care products, such as laundry detergent and fabric softeners. They are also great for those who make their own laundry soap and are looking for high-quality aromas to add to their creations.

Plant Fragrance's Laundry Detergent Fragrances are also perfect for industrial use. If you own a laundry business or work in the textile industry, these fragrances are a must-have. They are perfect for adding a pleasant aroma to your products and will help your customers remember your brand for its high-quality fragrances.
