### Applications:

These candle fragrances come in a variety of packaging sizes, including 10ml, 30ml, 125ml, 1kg, 2kg, 5kg, 10kg, 20kg, 25kg, and 200kg. The fragrances can be added to wax candles at a ratio of 1.2%-3%, creating fragranced wax candles that will fill any room with delightful scents.

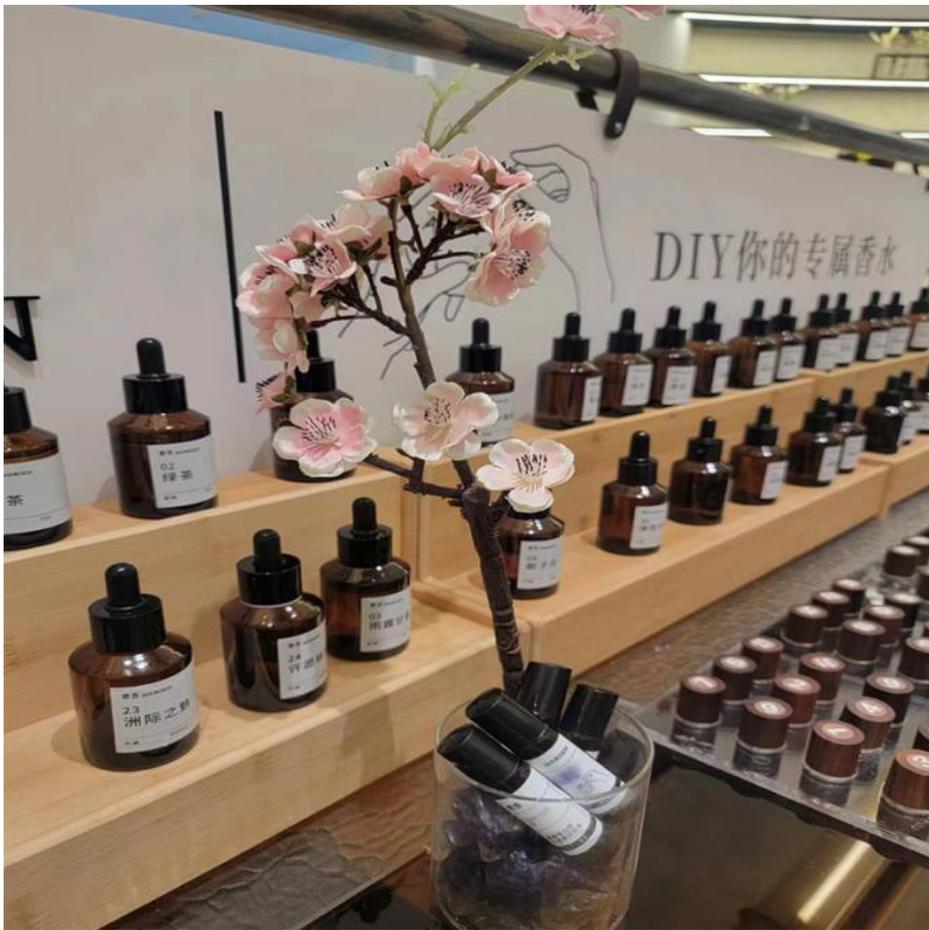

These fragrances are perfect for both daily and industrial use. They can be used to create scented candle fragrances that will help set the mood in any room of the house. They are also great for creating fragrant candles to use in spas and other relaxation areas.

These fragrances come in both carton drum packing and iron drum packing. Carton drum packing contains 5kgs/drum, with 4 drums/carton, and 20kgs/carton (41\*28\*33.5cm). Iron drum packing contains 25 kg/drum (D: 30cm, H: 45cm)(0.032cbm).

Plant Fragrance provides excellent after-sales service to ensure customer satisfaction. Delivery time for trial orders is 5-8 working days, and OEM orders take 8-15 working days to deliver. Payment options include T/T, Western Union, Ali Pay, and Paypal.

Order now and experience the joy of creating candles with fragrances that will make any space feel more inviting and relaxing.

Other names for this product include ginger flower fragrance and ginger flower fragrance essence oil. With a supply ability of 2,000 kilograms per day, there is never a shortage of these wonderful fragrances.

### Customization:

#### **Product Customization Services:**

- Tailor your own home fragrance for a tranquil and rejuvenating ambiance.
- Design personalized aromatherapy blends to promote relaxation and upliftment.
- Customize your home fragrance with a unique scent tailored to your preferences.

For perfume fragrance oils, we offer OEM support for creating your own signature scent or replicating popular perfumes, ensuring your chosen fragrance stays with you wherever you go.

Our high-quality product has a shelf life of 1-3 years and comes with the advantage of 20 years of manufacturing experience. It is suitable for use in a range of perfume products and is commonly referred to as Perfume Fragrance Oil.

We support OEM customization, including logo, product volume net content, product packaging, and a variety of fragrances to choose from.

### Support and Services:

Our Candle Fragrances product technical support team is available to assist with any questions or concerns regarding the performance or usage of our fragrances. Our team of experts can provide guidance on the optimal usage rates, compatibility with various wax types, and troubleshooting any issues that may arise during the candle-making process.

In addition to technical support, we also offer a range of services to assist with the development and production of custom candle fragrances. Our team of experienced perfumers can work with you to create unique and on-trend fragrances tailored to your brand, while our production team can handle the blending and packaging of your fragrances to ensure consistent quality and reliability.

Whether you are a hobbyist or a large-scale candle manufacturer, our technical support and services are here to help you create beautiful and fragrant candles that delight your customers.
