### Product Description

#### Product Description:

With over 20 years of experience in the industry, we've built a reputation for producing the highest-quality candle fragrances on the market. Our products are environmentally friendly and non-toxic, making them safe for use around children and pets.

We offer our candle fragrances in a range of packing sizes to suit your needs, from 10ml to 200kg. Our fragrances are oil and water soluble, making them easy to use in a variety of candle-making applications.

Our fragrances come in a light yellow or colorless liquid oil form, making them easy to incorporate into your candle-making process. With an add ratio of 1.2%-3%, our fragrances are highly concentrated and long-lasting, ensuring that your candles will retain their fragrance for hours on end.

So if you're looking for high-quality candle fragrances for your home or business, look no further than our range of fragrant candles. With our superior fragrance retention, high temperature resistance, and environmentally friendly formulation, our fragrances are the perfect choice for any candle-making project.
