#### Applications:

Plant Fragrance Skin Care Fragrances are a perfect blend of natural and synthetic ingredients that are designed to provide a therapeutic and aromatic experience. The fragrances are perfect for daily use, industrial use, and for making skin care products. They come in different packaging sizes, including 10ml, 30ml, 125ml, 1kg, 2kg, 5kg, 10kg, 20kg, 25kg, and 200kg.

The fragrances are free from harmful chemicals and are safe for use on the skin. They are available in colourless or light yellow liquid oil form and are both oil and water-soluble. The fragrances are perfect for making body essential oils perfume, as they provide a long-lasting aroma and a refreshing scent.

The Plant Fragrance Skin Care Fragrances are ideal for use in a variety of **occasions and scenarios**:

**Daily Flavor:** The fragrances are perfect for daily use, and you can apply them after your shower or bath to give you a refreshing scent throughout the day. You can also apply them before going to bed to help you relax and sleep better.

**Industrial Flavor:** The fragrances can be used in various industrial applications, including making perfumes and body lotions. They can also be used in the production of scented candles and air fresheners.

**Fragrance Oil for Skin Care Making:** The fragrances are perfect for making skin care products such as lotions, creams, and body oils. They help to provide a therapeutic and aromatic experience while nourishing and moisturizing the skin.

The Plant Fragrance Skin Care Fragrances are certified by COA, MSDS, IFRA, CE, and ISO, ensuring that they are of high quality and safe for use. The fragrances have a minimum order quantity, which can be negotiated, and their price range is \$20.00 for 1-49 kilograms, although this can also be negotiated. The fragrances are packaged in carton drum packing, iron drum packing, and are delivered within 5-8 working days for trial orders and 8-15 working days for OEM orders.

You can pay for the Plant Fragrance Skin Care Fragrances using T/T, Western Union, Ali Pay, and Paypal. The fragrances have a supply ability of 2000 Kilogram/Kilograms per day, and free samples can be offered for testing before ordering.

## Support and Services:

Our Skin Care Fragrances product includes a comprehensive technical support and services package to ensure the best possible experience for our customers. Our team of experts is available to assist with any technical issues that may arise, including troubleshooting, installation, and maintenance. In addition, we offer a range of services to help our customers get the most out of their Skin Care Fragrances product, such as training and education, customization and configuration, and ongoing support and updates. Our goal is to provide our customers with the highest level of service and support, so they can enjoy the benefits of our Skin Care Fragrances product with confidence.

## Packing and Shipping:

### Product Packaging:

Our fragrance essence oils come in a stable Plastic Or Iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

### Shipping:

The fragrance will be shipped in a cardboard box with appropriate cushioning materials to prevent damage during transit. The product will be shipped using a reliable courier service with a tracking number provided to the customer for easy monitoring of the shipment status. Shipping is available within the United States and internationally, with varying delivery times and rates depending on the destination.
