Product Description

Product Description:

Also known as Tea-Scented Mint Fragrance Essence Oil, our toothpaste fragrance is ideal for those seeking a hint of freshness in their daily routine. This fragrance oil, which is either light yellow or colorless, is specifically designed for use in toothpaste production.

We offer free samples of our toothpaste fragrance, including 10-15 different scents, each in approximately 10 ml bottles. This allows you to explore various aromas and discover the one that suits you best. Whether you're crafting your own toothpaste formula or using it in an industrial setting, we're confident you'll appreciate the results.

A key advantage of our toothpaste fragrance is its ability to deliver a long-lasting fresh breath effect throughout the day. This is particularly valuable for those who want to stay confident and refreshed, whether at work or out and about.

Additionally, our toothpaste fragrance is perfect for adding a clean and invigorating scent to your daily oral care routine. Its refreshing aroma ensures you'll feel both clean and rejuvenated.

In summary, our Toothpaste Fragrance Essence Oil is essential for anyone wanting to enhance their daily freshness. With its oil and water solubility, free samples, and invigorating scent, it is well-suited for personal use, industrial applications, and toothpaste formulation. Don't miss out—try our toothpaste fragrance today and enjoy the benefits of a fresh, clean scent!
