Product Description

Product Description:

Also known as Citrus Mint Fragrance Essence Oil, our toothpaste perfume is perfect for those who want to add a touch of freshness to their daily life. With a light yellow or colorless appearance, this fragrance oil is perfect for use in toothpaste making, industrial flavoring, and daily flavoring.

Our toothpaste fragrance comes with free samples, including 10-15 kinds, each about 10 ml in size. This allows you to try out different scents and find the one that works best for you. Whether you are using our toothpaste fragrance in your own toothpaste recipe or in an industrial setting, we are confident that you will love the results.

One of the key benefits of our toothpaste perfume is that it helps to provide a fresh breath perfume that will last throughout the day. This is especially important for those who want to feel confident and refreshed, whether they are at work or out on the town.

Our toothpaste perfume is also perfect for those who want to add a tooth cleanse scent to their daily routine. With its invigorating and refreshing aroma, our toothpaste fragrance is sure to leave you feeling clean and refreshed.

In conclusion, our Toothpaste Perfume is a must-have for anyone who wants to add a touch of freshness to their daily life. With its oil and water solubility, free samples, and invigorating scent, our toothpaste fragrance is perfect for daily use, industrial flavoring, and toothpaste making. So why wait? Try our toothpaste perfume today and experience the benefits of a fresh and clean scent!
