## Product Description

### Product Description:

With an add ratio of 0.1% to 0.3%, it can be used in a variety of desserts, including bakery items, ice cream, cakes, biscuits, and candy, among others.

The fragrance comes in a light yellow or colorless liquid oil form, making it easy to incorporate into your recipes. Not only does it provide a long-lasting aroma, but it also has a strong taste. Additionally, this fragrance has been specially formulated to work well with just a little bit of additives.

Our Food Fragrances product is perfect for those who are looking to add new dimensions of flavor to their baked goods and desserts. Whether you're a professional baker or just enjoy baking as a hobby, this fragrance can help take your creations to the next level.

At Fragrance And Flavors, we strive to create high-quality and effective aromatherapy fragrances that our customers can rely on. Our team of experts has carefully curated this sesame flavor fragrance to ensure that it meets our high standards of quality and effectiveness. So if you're looking for a biscuit flavor fragrance that can add a burst of flavor to your baked goods and desserts, look no further than our Food Fragrances product. Try it out today and discover a new world of delicious possibilities!
