Product Description

Product Description:

The Toy Fragrance can be used for different purposes, including daily flavor, industrial flavor, and fragrance oil for toy making. This product is versatile and can be used in various settings, making it a must-have for parents and toy manufacturers alike.

The Toy Fragrance product is available in free samples that include 10-15 different kinds of vanilla fragrance essence oil, each about 10 ml. Customers can try out the different samples to determine which one they prefer and then purchase the full-sized product.

The Toy Fragrance is also known as Vanilla Fragrance Essence Oil or Vanilla Fragrance. This product is an excellent addition to any home fragrance scented collection and can be used to enhance the overall ambiance of a space. Whether you're a parent looking to create a more engaging playtime experience for your child or a toy manufacturer looking to enhance your products' fragrance, the Toy Fragrance is an excellent choice.

The **benefits and functions** of using vanilla essence oil in toys include:

- **Enhancing Toy Appeal**:** Vanilla essence oil can add a subtle, sweet aroma to toys, making them more attractive, especially to children who enjoy vanilla scents.
- **Increasing Olfactory Experience**:** Vanilla essence oil stimulates the sense of smell, providing a pleasant olfactory experience that can make the toy more enjoyable and attention-grabbing.
- **Fostering Emotional Connection**:** The aroma of vanilla is often associated with warmth and comfort. This scent can strengthen children's emotional connection to the toy, making it a favorite.
- **Improving User Experience**:** Using vanilla essence oil in toys can enhance the overall user experience by adding both tactile and olfactory pleasure.
- **Suitable for Various Toys**:**
 - Stuffed Toys: For plush toys, dolls, and similar items, adding vanilla essence oil can give them a sweet vanilla scent, enhancing both tactile and olfactory enjoyment.
 - Plastic Toys: Incorporating vanilla essence oil into plastic toys can make them more appealing by adding an inviting fragrance that captures children's interest.
- **Boosting Market Competitiveness**:** In toy marketing, vanilla essence oil can serve as an added selling point, increasing the product's appeal and market competitiveness.
- **Ideal for Holidays and Celebrations**:** Toys with vanilla essence oil are especially suitable for holiday and celebration contexts, as their scent aligns with the sweet and joyful atmosphere of these events.
- **Customized Gifts**:** Adding vanilla essence oil to custom toy gifts can make them more unique and special, suitable for various celebration occasions and gifting purposes.

Applications:

Plant Fragrance, also known as LDZ-PL110007, is a flavour fragrance essential oil product originating from Guangdong, China. It is a high-quality product that has passed numerous certifications such as COA, MSDS, IFRA, CE, and ISO, ensuring its safety and effectiveness in its various applications.

The product comes in a variety of packaging sizes, including 10ml, 30ml, 125ml, 1kg, 2kg, 5kg, 10kg, 20kg, 25kg, and 200kg, making it suitable for both personal and industrial use.

One of its key features is its ability to make children's toys exude a pleasant vanilla scent, adding to the overall enjoyment of playing with toys. This makes it an ideal product for toy manufacturers and toy enthusiasts alike.

Aside from its use in toy-making, Plant Fragrance is also suitable for daily and industrial flavour fragrance applications. Its light yellow or colourless liquid oil form makes it easy to use and apply in various settings.

What sets Plant Fragrance apart is its high-temperature resistance, making it ideal for use in environments where heat is a factor, such as in the manufacturing of plastic toys. It also boasts high purity, ensuring long-lasting fragrance retention, and is environmentally friendly and non-toxic, making it safe for use around children.
