## Product Description

### Product Description:

Toy Fragrance is an excellent product that adds a refreshing and fruity aroma to your plush and plastic toys. It makes the toys full of mango smell, which is a great way to attract children. The product is specially formulated to be used in toys, making it safe and non-toxic. The fragrance oil is made from natural ingredients and is free from harmful chemicals, making it an ideal home fragrance scented oil. The Toy Fragrance product has a recommended add ratio of 0.1%-0.5%, which makes it very economical to use. It is easy to use and can be added to any toy-making process to create a delightful fragrance. The fragrance oil has a long-lasting effect, and the scent lingers for a long time, making it perfect for toys that are used frequently.

The Toy Fragrance product is an essential oil that is used in many industries, including the toy industry. It is widely used in the production of plush and plastic toys to create a pleasant aroma that children will love.

Toy Fragrance is a high-quality product that is safe and easy to use. It is made from natural ingredients and is free from harmful chemicals, making it an ideal home fragrance scented oil. The product is perfect for anyone who wants to add a refreshing and fruity aroma to their plush and plastic toys. So, if you want to make your toys smell like mangoes, then Toy Fragrance is the perfect product for you.

The application of mango fragrance in children's toys can bring some interesting **benefits and effects**:

- 1. Attracting Attention:** The sweet aroma of mango can capture children's attention, increasing their interest in the toy and enhancing its appeal.
- 2. Enhancing Toy Fun:** The fragrance adds a sensory experience to the toy, making it more enjoyable and engaging for children, thus encouraging play and exploration.
- 3. Soothing Emotions:** The scent of mango has a calming effect that can help relax children, particularly in situations where soothing is needed, such as before bedtime.
- 4. Enhancing Learning Experience:** Fragrance is closely linked to memory. Mango fragrance can aid children in forming stronger memories and learning experiences during play.
- 5. Promoting Parent-Child Interaction:** When parents and children play with toys that have a mango scent, the fragrance can become a fun element of parent-child interaction, enhancing communication and bonding.

In summary, appropriately using mango fragrance can add extra fun and experience to children's toys.
