## Product Description

### Product Description:

LDZ-PL90096 Lychee Essential Oil is extracted from the essential oil of lychee fruit or seeds, with a fresh fruity aroma, which is the perfect addition to any perfume or fragrance blend. Whether you are creating a fruity, floral or exotic scent, this essential oil is sure to add a unique and charming element to your work. It is often used in skin care products, toothpaste, aromatherapy and massage oil. Lychee essential oil helps to moisturize the skin and improve skin tone. Its aroma helps to relax the mind and body, relieve stress and anxiety. When using, you can add a few drops of lychee essential oil to a base oil for massage, or use it in an aromatherapy machine to enhance the fragrance of the air.

### Features:

- 1. Fresh aroma:** It exudes a sweet, fresh fruity aroma that is relaxing.
- 2. Nourishes the skin:** It is rich in certain antioxidant ingredients, which helps to moisturize the skin and improve skin tone.
- 3. Relaxes the body and mind:** The aroma can relieve stress and anxiety and bring a sense of relief.
- 4. Multi-purpose:** It is suitable for a variety of application scenarios such as skin care, massage and aromatherapy.
- 5. Natural ingredients:** It is usually extracted from lychee fruits or seeds, and is natural and pure.

### Applications:

LDZ-PL90096 Lychee Essential Oil is widely used and can be used in different occasions and scenes. For daily fragrance, the product can be used in perfumes, air fresheners, candles and diffusers, etc. The product exudes the sweet scent of lychee, which is very suitable for creating an atmosphere in the home, office and other spaces.

As an industrial fragrance, LDZ-PL90096 Lychee Essential Oil can be used in the production of detergents, soaps and other household cleaning products. The product has a long-lasting fragrance and leaves a fresh and clean fragrance after use. In addition, LDZ-PL90096 Lychee Essential Oil can be used as an essential oil for toothpaste making. The product enhances the taste of toothpaste, giving it a sweet and refreshing taste and promoting fresh breath.

### Support and Services:

Our Technical Support team is available to assist with any technical questions or issues you may encounter while using our Fragrance Oils. We also offer customization services for customers who require a specific scent or formulation for their products. In addition, we provide a range of services to ensure the highest quality and consistency of our Fragrance Oils, including product testing and analysis, quality control, and regulatory compliance support.

### Packing and Shipping:

#### Product Packaging:

Our fragrance essence oils come in a stable plastic or iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

#### Product Shipping:

The fragrance oil will be shipped via standard ground shipping to ensure safe and timely delivery. Shipping will be calculated based on the destination and weight of the package. Customers will receive a tracking number once the order has been shipped so they can track their package and know when to expect delivery.
