Product Description

Product Description:

Orchid essential oil (Model Number: LDZ-PL80010) is a precious plant essential oil with a unique aroma and multiple skin care benefits. It has a shelf life of 2 years, ensuring that you can store it without worrying about its quality deteriorating. It has a light yellow or colorless appearance, making it easy to mix with other products without affecting its color. This fragrance oil is added at a ratio of 0.1%-0.5%, providing a cost-effective solution for adding fragrance to your products. You only need to add a small amount to maintain a long-lasting aroma.

Extraction source: extracted from the petals and stems of orchids, using cold pressing or distillation methods to maintain the natural ingredients and aroma of orchids.

Aroma characteristics: Orchid essential oil exudes a soft, elegant and slightly sweet floral fragrance, which has a soothing and relaxing effect.

Main ingredients: rich in antioxidants, vitamins and plant nutrients, it can provide deep nourishment to the skin.

In short, our essential oil is a high-quality product, perfect for adding a pleasant aroma to your products. This is an aromatic perfume essence that is easy to mix, has a long-lasting fragrance, and is available for free trial. Its shelf life, color, dosing ratio and packaging make it a cost-effective and convenient solution for your fragrance needs. Give it a try and experience the difference for yourself!

Features:

Unique aroma: Orchid essential oil exudes a soft, fresh and slightly sweet floral fragrance, which is elegant and can effectively enhance mood and bring a sense of relaxation.

Skin care effect: Adding it to skin care products can effectively lock in moisture to a certain extent, improve skin dryness, and make the skin smooth and soft.

Versatility: Orchid essential oil can be widely used in skin care products, aromatherapy oils, massage oils and cosmetics, suitable for a variety of purposes to meet different needs.

Natural source: Usually extracted from high-quality orchids, natural ingredients make it safer and suitable for most skin types.

Rich in nutrients: Rich in phytonutrients and vitamins, it can provide comprehensive nourishment and protection for the skin.

Details:
