## Product Description

### Product Description:

**Food Grade vanilla essential oils (Model Number: LDZ-PL100002)** are concentrated essential oils extracted from natural vanilla plants with a strong aroma and unique flavor. They are commonly used in cooking, baking and beverages to add depth and layering to food. These essential oils are usually extracted from the leaves, flowers or roots of herbs, and common herbs include mint, chives, basil, rosemary and thyme. Each essential oil has its own unique flavor characteristics that can enhance the taste of dishes.

When using, vanilla essential oils only need to be added in small amounts. Due to their concentrated nature, they can quickly penetrate and enhance the aroma and flavor of the entire dish. During the cooking process, pay attention to controlling the amount of vanilla essential oils when adding them to avoid masking the taste of other ingredients.

In addition, these essential oils are also commonly used in beverage preparations, such as cocktails and vanilla teas, to add a fresh and aromatic experience to the beverage. Whether it is cooking or mixing drinks, food vanilla essential oils are a great choice for enhancing flavor.

### Features:
