Product Description

Product Description:

Fragrance oil (Model Number: LDZ-PL100025) is made from natural extracts: the essence extracted from fresh tomatoes retains the original flavor and aroma of tomatoes and is a natural and safe choice for a variety of applications.

Whether you need to use it for seasoning, enhance the flavor of dishes such as soups, sauces, salads, or add it to bread, cakes and cookies to add a unique tomato flavor. Add a refreshing scent to daily personal care products such as lotions, soaps and shampoos, or want to add a unique scent to candles or air fresheners, perfume essential oil is the perfect choice. It is versatile and can be used in a variety of products.

Overall, perfume essential oil is an excellent choice for those who want to add a unique scent to their products. With its natural ingredients and high solubility, it is a reliable and safe choice for a variety of applications.

Advantages:

The quality of our company's products is consistent with the four major international flavor companies, and it is very competitive among Chinese flavor companies. In addition to ordinary flavors and fragrances, our imitation fragrance technology is also greatly recognized, and the number of imitation fragrances is also the most complete. Our products have been sold to more than 50 countries.

We can imitate everything you want, and our advantages are very obvious. Please trust us.

We shape 100% concentrated cosmetic essential oils with the highest creativity, performance and naturalness to bring the most memorable moments for care, cleaning and fragrance, sustainable.

Our services:

1. 20 years of manufacturing experience;
2. ISO9001, ISO22000, ISO4001 certification system;
3. Own a flavor and fragrance engineering technology research center;
4. Provide technical services;
5. Provide product reports;
6. 88 overseas service centers provide guaranteed after-sales service.
