## Product Description

### Product Description:

Our blending essential oils come in a light yellow or colorless liquid oil form and have a shelf life of one year after opening and three years when unopened. To ensure the longevity of our oils, we recommend storing them in a cool, dry place in tightly sealed containers. Our blending essential oils boast a range of impressive traits. With high-temperature resistance, you can enjoy the benefits of our oils without worrying about them breaking down in high-heat environments. Our oils also have high purity, which means they have long-lasting fragrance retention. Plus, our oils are environmentally friendly and non-toxic, so you can feel good about using them in your home. With over 20 years of manufacturing experience, you can trust that our blending essential oils are of the highest quality. We're confident that you'll love our aroma diffuser essential oil and the relaxing atmosphere it creates in your home.
