It can also be used in homes and offices to freshen up the air and eliminate any unwanted odors. Furthermore, our Essence Fragrance can be used in beauty salons and hairdressers to create a pleasant and inviting environment for customers. **Herbs Fragrance Essence Oil(Model Number: LDZ-PL30032)has many applications in daily life and industrial production, as follows:**

Application in daily life

Aromatherapy: Release herbs essential oil through aromatherapy lamps or diffusers to create a soothing environment to help relax and reduce stress.

Skin care products: Herbs essential oil is added to many skin care products because it has antioxidant and anti-inflammatory properties to a certain extent, which can help improve skin condition.

Cooking: As a natural fragrance, vanilla essential oil can be added to food to add flavor, especially in desserts and drinks.

Cleaning agents: Some household cleaners contain vanilla essential oil because it has natural antibacterial properties to a certain extent, which can improve the cleaning effect.

Application in industrial production

Fragrances and perfumes: Herbs essential oil is an important ingredient in the perfume and fragrance industry and is widely used in various fragrance products.

Food additives: In the food industry, herbs essential oil is often used as a natural fragrance and preservative to enhance the flavor of food and extend the shelf life.

Cosmetics: Herbs essential oil is used as a fragrance and active ingredient in cosmetics, with moisturizing, anti-inflammatory and other effects.
