## Product Description

### Product Description:

**Watermelon essential oil (Model Number: LDZ-PL40043)** is a kind of aromatic essential oil extracted from watermelon or prepared by essence. It exudes a fresh and sweet watermelon aroma, which can bring freshness and pleasure in summer. It is widely used in personal care, aromatherapy products and home fragrance, and is loved by many people for its refreshing smell. Watermelon essential oil has a light and sweet aroma, as if cutting a piece of fresh watermelon, full of refreshing fruity notes. Its fragrance has a hint of moisture, fresh and pleasant. It is a kind of fragrance oil that can evoke summer memories and boost spirits. Watermelon essential oil is generally light yellow or colorless transparent liquid, suitable for use in diffusers, candle making, soap making and skin care products, bringing a pleasant smell experience to space and individuals.

### Features:

**Refreshing and uplifting:** Watermelon scent is known for its coolness and sweetness, which can make people feel refreshed and refreshing. It is very suitable for use in hot weather or when you need to boost your energy.

**Soothing and Relaxing:** Although watermelon has a fresh scent, its sweet scent also helps to relax the body and mind, creating a relaxing and pleasant atmosphere, perfect for use at home, in the office or in the bath.

**Air freshener:** Watermelon essential oil can effectively remove odors in the air and fill the room with the fragrance of fruit. It is suitable for home aromatherapy or car diffuser.

**Versatility:** Not only can Watermelon Fragrance Oil be used in a diffuser, it can also be added to handmade soaps, candles, and skin care products for a fresh, fruity scent.

**Non-irritating:** Watermelon essential oil is generally mild and non-irritating, suitable for most people, especially those who like fruity fragrances.

This Fragrances Oil product is a fragrant perfume essence that is perfect for creating long-lasting and high-quality fragrances. It is a fragrance perfume oil that is highly resistant to high temperatures, making it perfect for use in a variety of different applications. Its high

purity and long-lasting fragrance retention make it a popular choice for those who value quality and longevity in their fragrances. Additionally, this fragrance perfume oil is environmentally friendly and non-toxic, making it a great choice for those who are looking for a more sustainable and eco-friendly alternative to traditional fragrance oils. With over 20 years of manufacturing experience, you can trust that this Fragrances Oil product is of the highest quality. Its form is a slightly yellow or colorless liquid oil, and it is also known as watermelon essence, watermelon fragrance, or watermelon fragrance essence.
