Product Description

Product Description:

Red rose essential oil (Model Number: LDZ-PL10021) is a high-end essential oil extracted or synthesized from roses, exuding an elegant and rich rose aroma. It is often used in aromatherapy, skin care products, perfumes, massage oils and other fields, and is popular for its charming aroma and excellent beauty and skin care effects. Red rose essential oil is usually light yellow or transparent liquid, exuding a romantic and rich floral fragrance with a silky and sweet scent. Its elegant and lasting fragrance symbolizes love and romance, and is very suitable as a fragrance base in female perfumes. Red rose essential oil not only smells charming, but is also usually rich in a variety of natural active ingredients that help nourish the skin and soothe emotions.

Feature:

Elegant rose fragrance: This product is based on red rose essential oil, exuding a pure, rich and lasting rose fragrance, which can instantly enhance women's elegant temperament and create a romantic atmosphere.

Multi-layered fragrance structure: The freshness of the top note, the rose fragrance of the middle note and the woody or musk base note of the base note are intertwined to create a rich and lasting olfactory experience.

Long-lasting fragrance: Due to the high concentration of red rose essential oil, this perfume has excellent persistence and can maintain the fragrance on the skin and clothing for hours or even longer, suitable for all-day use.

Symbol of romance and confidence: Red roses symbolize passion, love and confidence, suitable for expressing women's softness and independence, especially for special occasions such as dates, dinners or celebrations.

Gentle and non-irritating: Red rose essential oil is usually mild and not easy to cause skin allergies, so it is suitable for most skin types and brings a safe fragrance experience.
