## Product Description

### Product Description:

The Fragrance Perfume Oil comes with an add ratio of 0.1%-0.5%, which makes it a highly usable product in small quantities. This product has a shelf life of 2-3 years, and when opened, it can be used for one year, while unopened, it can last up to three years. It is recommended to store the oil in a cool, dry place in tightly sealed containers to ensure maximum longevity.

The Scented Essential Oil has a mesmerizing aroma of sweet-scented cranberry, which makes it an ideal choice for those who love fruity fragrances. This oil is perfect for adding a sweet and fruity aroma to candles, soaps, and other personal care products. The Cranberry Fragrance Essence is made from high-quality ingredients that are safe to use and do not cause any harm to your skin.

If you want to try this product before purchasing, you can request a free sample from us. Please contact us for sample details, and we will be happy to assist you.

**Applications:**

Cranberry essential oil is popular for its sweet and sour fruity aroma and is widely used in daily life and industrial production. Its fresh and vibrant aroma not only performs well in personal care and home fragrance, but is also widely used in many industries such as food, cleaning, and cosmetics. **The following are the main application areas of cranberry essential oil:**

#### **Application in daily life**

**Aromatherapy products:** Cranberry essential oil is often used in home fragrance products such as scented candles, diffusers, and air fresheners. Its fresh and fruity aroma can create a relaxing and pleasant family atmosphere, suitable for relaxation, refreshing or refreshing indoor air.

#### **Personal care products:**

**Bath and body care:** Cranberry essential oil is often added to personal care products such as shower gel, body lotion, and hand cream to bring a fresh and sweet aroma. It also has the effect of moisturizing and protecting the skin, enhancing the use experience.

**Perfume and spray:** The unique fruity aroma of cranberry is often used in perfume and body spray, which is suitable for young and energetic temperament, adding a sweet and fresh feeling.

**Hair care products:** Cranberry essential oil is also used in shampoo, conditioner and other products. In addition to adding natural fruity fragrance to hair, it can also provide a refreshing and refreshing feeling, making hair softer and more shiny.

**Home cleaning:** Cranberry essential oil can be used in home cleaning products, such as multi-purpose cleaning spray and detergent. It not only brings a fresh fruity fragrance, but also has a deodorizing effect, making the cleaned space emit a natural fragrance.

#### **Application in industrial production**

**Food flavors:** Although essential oils are not directly used in food, cranberry essential oil can be used as a reference for food flavors to make candies, beverages, baked goods and chewing gum, etc., giving the product a sweet and sour fruity aroma to meet consumers' demand for natural fruit flavors.

#### **Cosmetics industry:**

**Skin care products:** Cranberry essential oil is often used in skin care products such as creams, essences, and masks due to its unique fruity fragrance, which increases the attractiveness of the product. At the same time, its antioxidant properties also help moisturize and protect the skin.

**Lip care:** The sweet aroma of cranberry is very suitable for lip products such as lipstick and lip gloss, which not only increases the fragrance appeal of the product, but also brings a pleasant experience to consumers.

**Cleaning products production:** Cranberry essential oil can be used in detergents, fabric softeners, household cleaners and other products, giving these daily necessities a fresh and fruity scent and enhancing the market competitiveness of the products.

**Home fragrance manufacturing:** Cranberry essential oil is widely used in the production of home fragrance products such as scented candles and diffusers. Its fresh and natural aroma can bring a pleasant olfactory enjoyment, suitable for use in a variety of places such as homes and offices.
