## Product Description

### Product Description:

**Sandalwood Essential Oil (Model Number: LDZ-PL30038)** is usually extracted from the wood of the sandalwood tree and is rich in natural plant ingredients. Its aroma is warm, sweet, with woody and aromatic characteristics that can bring a sense of tranquility and relaxation. It can be used in diffusers to help improve indoor air quality and create a comfortable environment. Our sandalwood fragrance is perfect for scent diffusion. It is a popular choice for people who like the smell of scent diffusion. The fragrance is easily diffused and will fill the room with a pleasant fragrance that lasts for hours.

To ensure customer satisfaction, we provide free samples that can be tested before placing an order. We firmly believe that the quality products we provide can meet the expectations of our customers.

### Features:

**Relaxation:** Sandalwood essential oil is believed to have a relaxing and stress-relieving effect, helping to relieve anxiety and stress.

**Improves concentration:** Its aroma can help improve concentration and clarity of thought, making it suitable for use while studying or working.

**Antibacterial properties:** Sandalwood oil has a certain antibacterial effect and can help purify the air.

**Durability:** The aroma of sandalwood essential oil is long-lasting and not easy to evaporate, making it suitable for long-term use.

**Natural source:** As a natural sandalwood extract essential oil, it is suitable for all kinds of people.

| Linolenic Acid       | ≥10%(g/g)                            | 30%              | Confirmed         |

### Applications:

**The Sandalwood Fragrance LDZ-PL30038** is a scented diffusing scent that is perfect for a variety of occasions and scenarios. Whether you're looking to add a fragrant touch to your home, office, or retail space, this aroma producing essence is the perfect solution. Thanks to its high temperature resistance, you can use this fragrant diffusion scent in a wide range of environments without worrying about it losing its potency. Plus, its high purity ensures that the fragrance will last for a long time, making it a cost-effective choice for those who want to enjoy a pleasant aroma without needing to constantly replace their diffuser fragrances. Another great advantage of the Sandalwood Fragrance LDZ-PL30038 is that it is environmentally friendly and non-toxic. This makes it a great choice for those who are concerned about the impact that their fragrance choices have on the environment, as well as those who have sensitive noses and want to avoid harsh chemicals and synthetic fragrances. **When it comes to applications, there are countless scenarios where this fragrant diffusion scent can come in handy. For example:**

Use it in your home to create a cozy and inviting atmosphere

Add it to your office space to help reduce stress and increase productivity

Use it in retail spaces to create a pleasant and welcoming environment for customers

Use it in spas and salons to create a relaxing and luxurious atmosphere

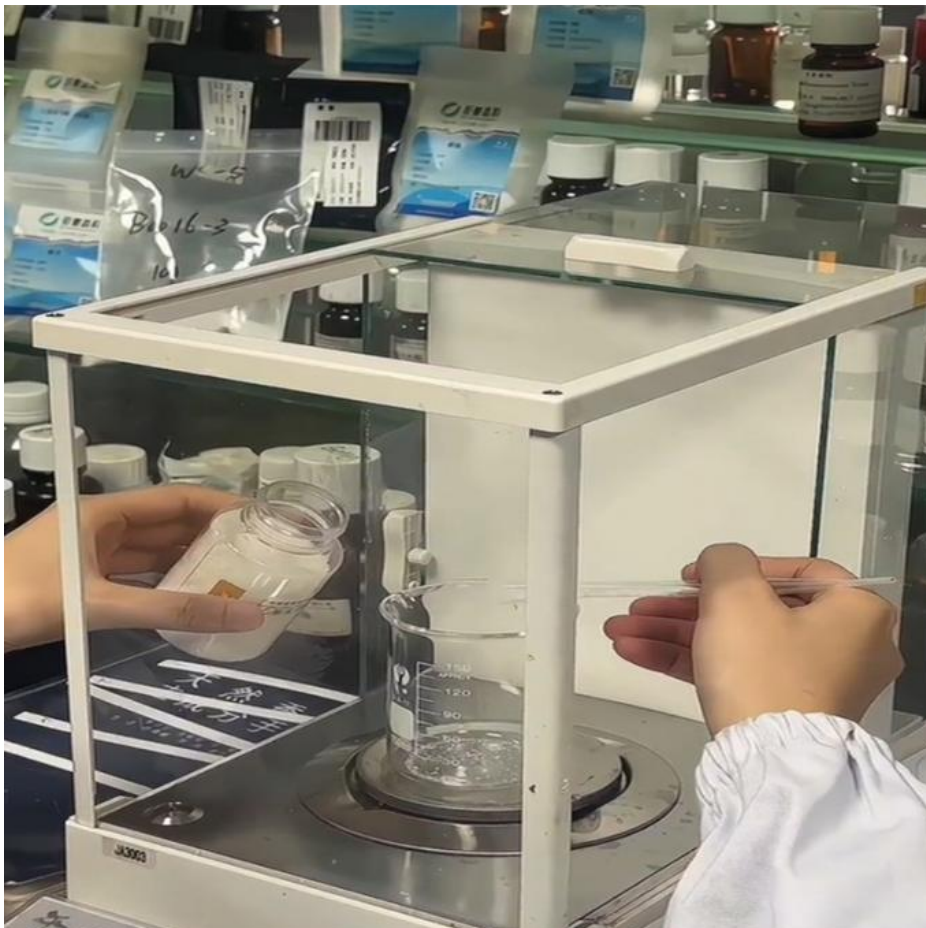

With 20 years of manufacturing experience, the Sandalwood Fragrance LDZ-PL30038 is a trusted choice for those who want to enjoy the benefits of aromatherapy in their daily lives. So why not try it out for yourself and experience the power of scent?
