## Product Description

### Product Description:

**Citrus Fragrance Essential Oil (Model Number: LDZ-PL80022)** is extracted from the peel of fresh oranges by cold pressing, retaining its rich natural terpenes and aromatic compounds. These ingredients not only give the oil a unique aroma, but also bring a variety of health benefits. Its aroma is sweet and fresh, pleasant, exuding a warm and energetic feeling, which can quickly improve your mood and create a pleasant atmosphere. Whether at work, study or leisure, the aroma of orange essential oil can bring a pleasant sensory experience. Orange essential oil has a wide range of uses and is often used in diffusers to help purify the air and improve the comfort of the indoor environment. In addition, it is also very suitable for massage, which can relax muscles, relieve tension, or add it to the bath to create a peaceful and relaxing spa experience. It is often added to skin care products to increase the moisture and radiance of the skin.

#### Applications:

**Citrus Fragrance Essential Oil (Model Number: LDZ-PL80022)** is perfect for various occasions and scenarios. It can be used to create a relaxing environment in homes, offices, and spas. It can also be used for skin care making, such as creating natural and organic

perfumes, body lotions, and soaps. This product is also a great addition to aromatherapy products such as diffusers, candles, and incense sticks.

**Citrus Fragrance Essential Oil is widely used in daily life and industrial production:**

**Daily life:**

**Aromatherapy:** Used in diffusers to help improve mood and relieve stress.

**Cooking:** Used for seasoning or making drinks to add fragrance and flavor.

**Skin care products:** Added to skin care products to provide a pleasant aroma and nourish the skin.

**Cleaning products:** Often used in homemade cleaners for its natural antibacterial properties and fresh aroma.

**Industrial production:**

**Air fresheners:** Used in industrial air fresheners to provide a long-lasting aroma.

**Fragrances and flavors:** Widely used in the food and beverage industry as a natural fragrance.

**Cosmetics:** Used in products such as skin care, perfume and shampoo to enhance the sensory experience of the product.

**Detergents:** Added as a fragrance to laundry detergents and liquid detergents to increase the attractiveness of the product.

### Support and Services:

Our Aromatherapy Fragrances product comes with comprehensive technical support and services to ensure that you have the best experience with our product. Our team of experts is always available to assist you with any technical issues or questions you may have. We offer a range of services including installation assistance, product training, and troubleshooting support. Additionally, we provide regular product updates and maintenance to ensure that our product is always running at its best. You can rely on our technical support team to provide you with timely and effective solutions to any issues you may encounter with our Aromatherapy Fragrances product.

### **Packing and Shipping:**

#### **Product Packaging:**

Our fragrance essence oils come in a stable plastic or iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

#### **Product Shipping:**

The fragrance essence oil product will be shipped using a reputable courier service. The product will be carefully packaged to prevent any damage during transit. Customers will receive a tracking number so that they can track their shipment and know when to expect delivery. Shipping times may vary depending on the destination, but we will do our best to ensure that the product arrives as quickly as possible.
