Product Description

Product Description:

This fragrance oil has a sweet-scented aroma that resembles cologne. It is also known as Cologne Fragrance or Cologne Fragrance Essence Oil. The light yellow or colorless liquid oil is perfect for adding a pleasant fragrance to various products.

Whether you are making a body essential oils perfume or a fragrance brightening body lotion, this product can add a refreshing scent to your creations. Its versatility makes it perfect for use in different personal care and cosmetic products.

The Shampoo Fragrances product is also ideal for industrial applications. Its sweet aroma can be used to add a pleasant fragrance to various products, including soaps, shampoos, and other personal care items. Its light yellow or colorless liquid oil form makes it easy to mix with other ingredients and apply to products.

In conclusion, the Shampoo Fragrances product is a must-have for anyone looking to add a sweet-scented aroma to their personal care or cosmetic products. It is versatile, easy to use, and comes in different packing sizes to suit different needs. Whether you are making a body essential oils perfume or a fragrance brightening body lotion, this product is perfect for enhancing the overall scent of your creations.

Applications:

One of the main uses of the Fragrance Oil(Model Number:

LDZ-PL20036) is for aromatherapy fragrances. The light yellow or colorless liquid oil can be added to diffusers to create a relaxing and calming environment. It can also be used in spas and yoga studios to enhance the overall experience.

Additionally, this fragrance oil essential oil can be used in the hotel industry. The Hotel Collection Fragrance Oil can be added to candles, soaps, and other amenities to create a luxurious experience for guests. The light fragrance will leave guests feeling refreshed and rejuvenated.

When it comes to shampoo making, the Plant Fragrance Shampoo Fragrances product is an excellent choice. With an add ratio of 0.1%-0.5%, this fragrance oil essential oil can be added to shampoos, conditioners, and other hair care products to give them a pleasant scent. The fragrance oil is also safe to use on the skin, making it a great addition to body washes and lotions.

In terms of storage, the Plant Fragrance Shampoo Fragrances product should be kept in a cool and dry place away from sunlight. It is a versatile and high-quality fragrance oil essential oil that is sure to enhance any product it is added to.
