Product Description

Product Description:

Our essential oils are perfect for adding scent to a variety of products including candles, soaps, lotions, toys and more. Our essential oils have a long-lasting scent, making them perfect for creating high-quality perfumes and other scented products. Our essential oils are available in plastic or iron drum packaging, ensuring you can choose the packaging that best suits your needs. Additionally, we welcome OEM orders, so you can create a custom scent that perfectly fits your brand. To ensure the quality and freshness of our essential oils, they should be stored in a cool, dry place in airtight containers. This will help prevent any contamination and ensure your scented products stay fresh and fragrant for longer. Our essential oils are a versatile, high-quality product, perfect for anyone who wants to create scented perfume oils or scented perfume essences. So what are you waiting for? Order your essential oils today and start creating your own unique scent!

Features:

Sweet aroma: Candy essential oils usually exude a strong sweet smell that can evoke people's pleasure and childhood memories.

Diverse flavors: This essential oil can simulate the aroma of a variety of candies, such as marshmallows, chocolate, mints, etc., and is suitable for use in different products.

Regulate mood: Due to its sweet smell, candy essential oils are often used to enhance mood and reduce stress and anxiety.

Wide application: It can be used in aromatherapy, toys, candles, bath products, skin care products, etc. to add a sweet atmosphere.

Relatively long-lasting: Usually when used in a suitable carrier, the aroma can be retained for a long time.

Strong appeal: It is especially attractive to children and young people and is often used in the promotion of candy or related products.

Applications:

The Plant Fragrance LDZ-PL110003 Fragrance Perfume Oil is a versatile product that can be used in many different occasions and scenarios. Whether you are looking to add a pleasant scent to your home, office, or car, or you are looking for a fragrance oil for your personal care products, this product is the perfect choice.

One of the most common applications for this Fragrance Perfume Oil is in home fragrances. You can use it to create a welcoming and relaxing atmosphere in any room of your house. Simply add a few drops to a diffuser or oil burner and let the scent fill the air. You can also use this oil to make your own scented candles, potpourri, or room sprays.

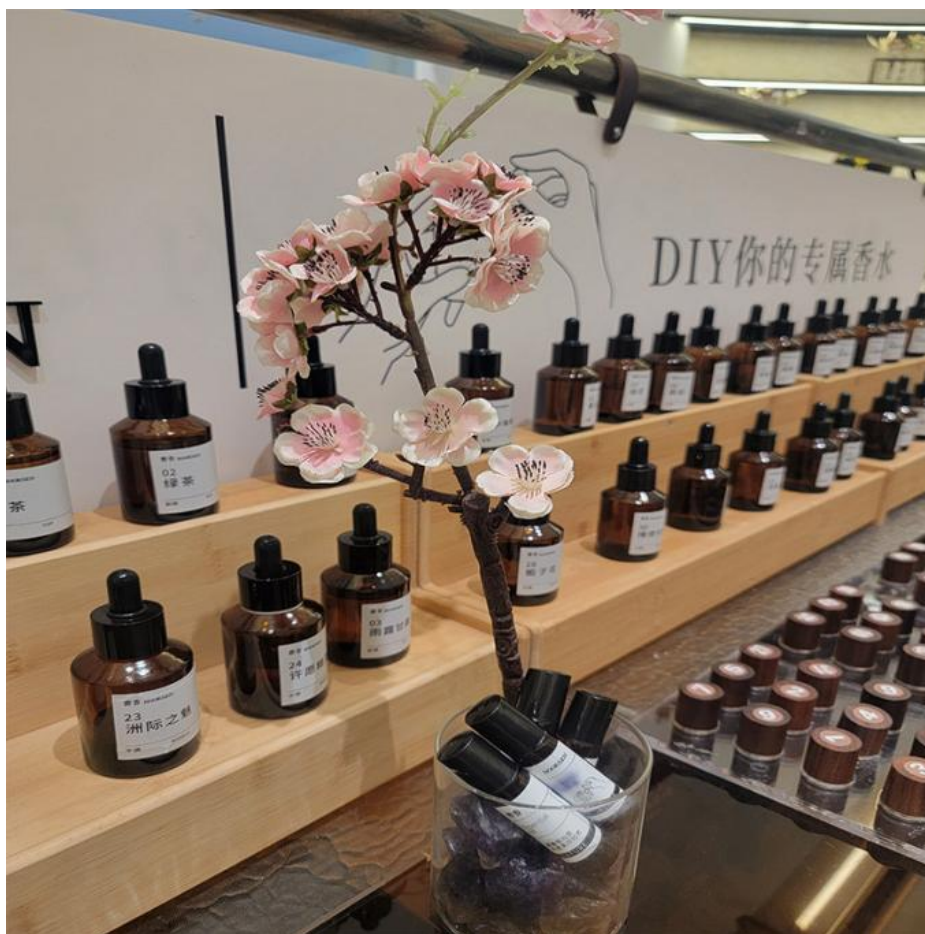

If you are in the business of making personal care products, such as soaps, lotions, or bath bombs, this Fragrance Perfume Oil is an excellent choice. It is oil and water soluble, which means that it can be added to a wide range of products without affecting their consistency. The light yellow or colorless liquid oil is also safe for use on skin, making it a great choice for perfumes, body sprays, and other scented products.

Another common application for this Fragrance Perfume Oil is in the production of scented cleaning products. If you are looking for a way

to make your cleaning products more enjoyable to use, adding a few drops of this oil can help. It is also a great choice for air fresheners and car fragrances.

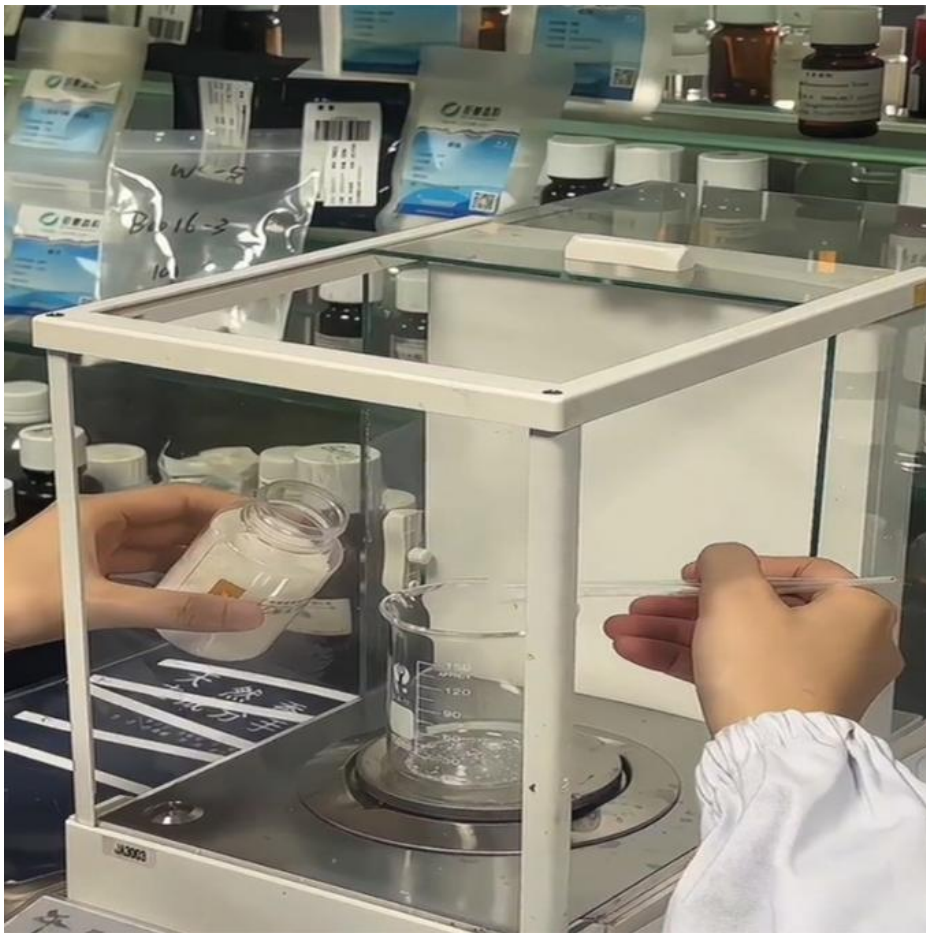

Finally, this Fragrance Perfume Oil is also a popular choice for aromatherapy. Its sweet, candy-like scent can help to promote relaxation and reduce stress. Simply add a few drops to a diffuser or oil burner and let the scent fill the room.

The Plant Fragrance LDZ-PL110003 Fragrance Perfume Oil is a high-quality product that is made in China, Guangdong. It is certified by COA, MSDS, IFRA, CE, and ISO, ensuring that it meets the highest standards of quality and safety. It is available in carton drum packing or iron drum packing, and can be ordered in quantities ranging from 1-49 kilograms. Samples are also available for testing before ordering, and OEM service is welcome.

Support and Services:

Our Fragrance Oils are carefully crafted to bring the desired scent and ambiance to your home or business. However, if you encounter any issues with our product, our technical support team is available to assist you. Our team can provide troubleshooting assistance and offer solutions to any problems you may encounter. In addition, we also offer services such as custom scent creation and private labeling. If you are interested in creating a unique fragrance for your business or event, our team can work with you to create a custom scent profile. We also offer private labeling services for businesses interested in branding our fragrances as their own.

Packing and Shipping:

Product Packaging:

Our fragrance essence oils come in a stable plastic or iron bottle. The bottle is then carefully placed in a sturdy cardboard box with cushioning material to ensure safe delivery to your doorstep.

Product Shipping:

The fragrance oil will be shipped via standard ground shipping to ensure safe and timely delivery. Shipping will be calculated based on the destination and weight of the package. Customers will receive a tracking number once the order has been shipped so they can track their package and know when to expect delivery.
