Product Description

Product Description:

Litchi essential oil (Model Number: LDZ-PL100014) is a widely used fragrance that can be used in food, beverages, candy, baked products, and is also common in the field of perfume and aromatherapy. In food, lychee essential oil is used to enhance the flavor of food by extracting the natural aroma of lychee or synthesizing chemical components to simulate the fruity aroma of lychee. In aromatherapy, it focuses more on improving psychology and emotions through sweet and pleasant aromas. It is often used to relax the body and mind and relieve stress. It is mostly natural extracts and is often combined with other essential oils for aromatherapy or massage products.

Our litchi aromatherapy essential oil and fruity aromatherapy essential oil are just a few of the many options available to you. We have a variety of scents and flavors to choose from, so you are sure to find a product that suits your needs and preferences. Our aromatherapy essential oils are made from the highest quality raw materials and stored in a cool and dry place in sealed containers to ensure their freshness and potency. You can rest assured that you will get the best products when you order from us.

Therefore, if you are looking for high-quality flavor and fragrance products that can be used in aromatherapy, then our aromatherapy fragrance products are your best choice. With our OEM services, storage conditions, and wide selection of scents and flavors, we are sure you will find what you need.

Features:

Emotional regulation: In aromatherapy, it can bring a relaxing and pleasant emotional effect.

Sweet fruity aroma: It has a strong lychee aroma, sweet and fresh, with a fruity and slightly sour taste.

Good stability: It can maintain the aroma at high temperatures or during processing, suitable for applications such as baking.

Multi-purpose: It can be used in food, beverages, perfume, aromatherapy and other fields, with a wide range of applications.

High concentration: The aroma is concentrated, and a small amount can achieve the desired effect.

Applications:

Litchi essential oil(Model Number:LDZ-PL100014) are suitable for various occasions and scenes. They are often used in food and aromatherapy. For example, it is perfect for creating a relaxing atmosphere in your home or office to help you relax after a long day. It is also very suitable for use in spas, where it can help create a calm and rejuvenating environment. **The following are various occasions and scenes commonly used:**

Application in daily life:

Food seasoning: used in beverages, candies, ice cream, jelly and other foods to add lychee flavor.

Home fragrance: used in scented candles, air fresheners, etc. to add a fresh atmosphere to the home space.

Aromatherapy: used in aromatherapy lamps, diffusers, etc., to help relax and relieve stress through the sweet lychee aroma.

Perfume and personal care: added to perfume, shower gel, body lotion and other products to bring a refreshing lychee aroma.

Application in industrial production:

Cleaning products: used in detergents, air fresheners and other cleaning products to provide a fresh scent.

Food industry: used as a flavoring agent in baking, beverage and candy manufacturing to enhance the flavor of the product.

Fragrance manufacturing: used as a raw material in perfumes, aromatherapy and other fragrance products to create a unique scent.

Cosmetics and care products: added as a fragrance to cosmetics and skin care products to enhance the attractiveness of the product.
