Product Description

Product Description:

One of the most distinctive features of our Fragrance Oil is its solubility. It is both oil and water-soluble, which means that it can be used in a variety of applications, including perfumes, soaps, lotions, and more. This makes it an incredibly versatile product that is perfect for anyone looking to create their own unique scent.

Our Fragrance Oil comes in both plastic and iron barrels, so you can choose the option that best suits your needs. Both options are durable and sturdy, ensuring that your perfume oil stays safe and secure during transit and storage.

When it comes to storage, our Fragrance Oil should be kept in a cool, dry place in tightly sealed containers. This will help to maintain its quality and ensure that it remains as potent and fragrant as possible.

We also offer free samples of our Fragrance Oil, with each sample containing 2ml of scented perfume oil. If you're interested in trying out our product before you buy, please contact us for more details.

In conclusion, our Fragrance Oil is an excellent choice for anyone looking for a high-quality, long-lasting perfume oil. Its versatility, solubility, and durability make it a must-have for anyone who loves scented essential oils. So why wait? Try our Fragrance Oil today and experience the difference for yourself!

Applications:

The Peach Fragrance/Peach Fragrance Essence Oil/Fruity Flavor Fragrances is a popular choice among customers due to its versatility and pleasant scent. It can be used in a variety of occasions and scenarios, such as:

Home Fragrance: The fragrant perfume essence can be used to create a cozy and inviting atmosphere in your home. You can add a few drops to your diffuser or mix it with water to create a room spray.

Bath and Body Products: The scented perfume oil can be used to add fragrance to your bath and body products, such as soaps, lotions, and bath bombs. It can also be used as a perfume or cologne.

Candles: Fragrance oils are a popular choice for candle making. The LDZ-PL90013 can be used to create candles with a fruity, peach scent.

Events and Parties: You can use the fragrant perfume essence to create a pleasant scent at events and parties. It can be added to potpourri, used in centerpieces, or added to party favors.

Car Fresheners: The scented essential oil can also be used to create car fresheners. You can add a few drops to a cotton ball and place it in your car.
