Product Description

Product Description:

Our Aromatherapy Fragrances are extracted using the steam distillation method, ensuring that the fragrance oils retain their natural aroma and flavor. This method of extraction also ensures that our product is safe to use and free from harmful chemicals.

For those who are interested in trying out our product, we offer Free Samples of each 2 ml. Please contact us for sample details.

Our Aromatherapy Fragrances are also known as Tomato Fragrance Essence Oil or Tomato Flavor Essence Oil. This is because our product is made from the essence of tomato, giving it a unique and fruity aroma.

To ensure the quality of our product, we recommend storing it in a cool, dry place in tightly sealed containers. This will help preserve the aroma and flavor of our Aromatherapy Fragrances for longer periods of time.

Our Aromatherapy Fragrances are perfect for those who enjoy experimenting with different scents and flavors. Whether you're using it for aromatherapy or food making, our product will add a unique and delicious aroma to your creations.

Features:

Strong flavor: simulate or enhance the taste of fresh tomatoes, add tomato flavor to food.

High stability: maintain flavor under high temperature, refrigeration and other conditions, suitable for long-term storage.

Wide application: can be used in a variety of foods such as ketchup, beverages, canned food, condiments, etc.

Strong concentration effect: a small amount can achieve the desired flavor effect.

Easy to adjust: the flavor can be adjusted to simulate different tomato flavors, such as sweet and sour or cooked tomato flavor.

Economical: lower cost than fresh tomatoes, suitable for industrial production
