Product Description

Product Description:

Our Blending Essential Oils are made with the highest quality ingredients, including vanilla extract and other natural ingredients. The appearance of the oil is a light yellow or colorless liquid, making it easy to blend with other oils for a personalized aromatherapy experience.

Safety is our top priority. We recommend that you dilute the Aromatherapy Essence Oil before use and keep it out of the reach of children. This will ensure that you have a safe and enjoyable experience every time you use our product.

The Blending Essential Oils come in a sturdy plastic or iron barrel, ensuring that the product stays fresh and protected from any external factors.

Our Aromatherapy Essence Oil is perfect for use in a diffuser or mixed with carrier oils to create a massage oil. Whether you are looking to unwind after a long day or simply want to uplift your mood, our Essential Oil has got you covered.

In summary, our Blending Essential Oils are a must-have for any aromatherapy enthusiast. With the aroma of sweet scented vanilla, high-quality ingredients, and safety precautions in place, you can be sure that you are getting the best experience. So why wait? Add our Aromatherapy Essence Oil to your collection today and start enjoying the benefits of essential oils.

Applications:

The blending essential oil is an excellent choice for individuals looking to create their own Essence Fragrance. It can be used to create unique and personalized scents for personal use or as Essence Flavour for products like candles, soaps, and perfumes. The oil can also be used in diffusers to create a relaxing and calming atmosphere at home or in the office.

This product has a shelf life of 1-3 years and should be stored in a cool, dry place in tightly sealed containers. It is also important to dilute the oil before use and keep it out of reach of children. Plant Fragrance LDZ-PL100002 is oil and water-soluble and contains vanilla extract and other ingredients. Samples are freely provided, each 2 ml, and interested customers can contact the supplier for details.

Overall, Plant Fragrance LDZ-PL100002 is a versatile and high-quality essential oil that is perfect for different occasions and scenarios. Its unique blend of ingredients makes it an excellent choice for creating personalized Essence Fragrances or as an Essence Flavour for various products.
