Product Description

Product Description:

Vanilla Fragrance Oil LDZ-PL100002 is a natural vanilla fragrance that is widely used in a variety of products such as food, perfume, candles, skin care products, cleaning products, etc. Vanilla Fragrance Oil exudes a warm, sweet vanilla aroma with a hint of cream and caramel, and is suitable for adding flavor to food, fragrance products, and personal care products. It is also often added to scented candles, shower gels, perfumes, air fresheners, and other products to create a comfortable and warm atmosphere.

Features:

Sweet aroma: Vanilla essential oil has a very sweet aroma, usually with a strong aroma of vanilla beans, milk and caramel, which smells warm, soft and relaxing.

Long-lasting aroma: The smell of vanilla essential oil can be maintained for a long time, suitable for use in products such as candles and air fresheners to ensure that the aroma can be distributed for a long time.

Wide range of uses: Vanilla essential oil can be used in a variety of products, including scented candles, perfumes, soaps, skin care products, cleaning products, etc., adding a pleasant fragrance experience.

Applications:

Home and Personal Use:

Vanilla Fragrance Oil LDZ-PL100002 is perfect for use in aromatherapy, creating a therapeutic atmosphere in any room. It can also be used as a natural air freshener, eliminating unpleasant odors and replacing them with a refreshing scent. Furthermore, it can be added to bath water for a relaxing and rejuvenating experience.

Commercial Use:

Vanilla Fragrance Oil LDZ-PL100002 is also ideal for commercial use, such as in spas, yoga studios, and massage centers. Its soothing properties create a calming and relaxing environment, perfect for meditation and relaxation. It can also be used in hotels to provide guests with a pleasant and refreshing scent in their rooms.

Industrial Use:

Vanilla Fragrance Oil can be used in the production of various products, such as candles, soaps, and cosmetics. It can also be used in the food and beverage industry to enhance the flavor of certain products.

Outdoor Use:

Vanilla Fragrance Oil LDZ-PL100002 can also be used in outdoor settings, such as in gardens and on patios. Its refreshing scent can help repel mosquitoes and other insects, making it perfect for outdoor gatherings and events.
