Product Description

Product Description:

Firstly, our soap fragrances are highly temperature-resistant and can withstand high temperatures without losing their effectiveness. Secondly, they have high purity, ensuring that the fragrance lasts for a long time. Our fragrances are long-lasting and retain their aroma, making them an excellent choice for people who prefer long-lasting fragrances.

Our soap fragrances are environmentally friendly and non-toxic. We use natural ingredients that are gentle on the skin and do not harm the environment. Our products are safe to use and do not cause any irritation or allergies.

With over 20 years of manufacturing experience, we ensure that our products are of the highest quality. We use the latest technology and equipment to produce the best soap fragrances in the market.

Our soap fragrances have a shelf life of 1-3 years. If opened, they can last up to one year, while unopened products can last up to three years. To ensure that our soap fragrances remain fresh and effective, we recommend that customers store them in a cool, dry place in tightly sealed containers.

To help customers make an informed decision, we offer free samples of our soap fragrances. Each sample contains 2ml of the fragrance. Customers can contact us for sample details.

Our Soap Fragrances product is an excellent choice for people who prefer high-quality, long-lasting, and environmentally friendly soap fragrances. We offer a variety of fragrances, including the Tiny Bubbles Hand Soap, Exfoliating Lemon Soap, and Soothing Vanilla Soap.

Why Choose Us:

Raw material advantage	<ul style="list-style-type: none"> *Fresh Raw materials are processed quickly from place of origin to factory to ensure freshness. *Nature Have cooperative base in raw material the place of origin. *Traceable Specially-assigned professional management. Strictly control the quality of raw materials
Technology advantage	<ul style="list-style-type: none"> *Low temperature cycle stage extraction Analyzed the advantages and disadvantages of various extraction methods, combined with the characteristics of raw materials, geographical advantages and equipment output value and other factors, through repeated scientific experiments, finally confirmed that low temperature sub-extraction method has become the bottom extraction technology of all kinds of concentrate. *Break through technical difficulties The extraction process was completed under the condition of low temperature, and the good components were better preserved in the extraction process, which overcame the corruption of the extraction solution and the dissolution of impurities in the traditional extraction process. Breaking through the technical problems of insufficient head fragrance of flower concentrates, turbidity of tea concentrates, obvious bitter and astringent flavour of coffee concentrates, oxidation of citrus concentrates.
Products advantages	<ul style="list-style-type: none"> * Liquid form, storage at room temperature * Anti-corrosion, anti-oxidation, stability * High level of flavor reproduction * Customized services

Applications:

The Plant Fragrance Soap Fragrances (Model Number: LDZ-PL20046) is a perfect addition to your daily routine for gentle cleansing and a refreshing scent. Made with high-quality plant-based ingredients, this soap is perfect for all skin types.

The Exfoliating Lemon Soap is perfect for those who want a deeper cleanse. This soap is made with natural lemon extracts that gently exfoliate the skin, leaving it feeling soft and smooth. The refreshing lemon scent will invigorate your senses and leave you feeling energized.

The Plant Fragrance Soap Fragrances are suitable for a variety of occasions and scenarios. Use it in your daily shower routine for a refreshing and invigorating start to your day. It can also be used as a hand soap to keep your hands clean and smelling fresh throughout the day.

These soap fragrances are perfect for those who want a high-quality soap that is environmentally friendly and non-toxic. The soap is made with high purity ingredients, ensuring long-lasting fragrance retention. It is also resistant to high temperatures, making it perfect for use in hot and humid environments.

Experience the benefits of the Plant Fragrance Soap Fragrances today and enjoy gentle cleansing, exfoliating lemon soap, and plant-based soap that is perfect for your daily routine.
